A. C. Craft v. L. & N. - Letcher County.

Messrs. Morgan & Wuckols,

Hazard, Ky.

Gentlemen:-

Your letter of the 6th inst. to Mr. Wilson asking that Mr. H. C. Williams' letter of June 29th with copy of report made by Mr. Thowbridge be sent to you as soon as possible has been delivered to us, as Mr. Wilson is now at Camp Upton, New York. We have examined the file relating to the above case in his office and find that the writer, while acting for Mr. Wilson, on July 3, 1917, sent these papers to Mr. Lewis E. Harvie, at Whitesburg, and you can, no doubt, get them from Mr. Harvie.

Yours very truly,

RLW/MCC
