Mr. B.D. Warfield, District Atty.,
Louisville, Ky.

Dear sir: 88235- E.Q. McGlone &c. vs. L & N-
Perry Circuit Court.

We are in receipt of yours of the 25th referring to the
above matter enclosing copy of letter from Mr. Seargeant to
you of the 22nd.

The court declined to enter ~~into~~ any further order in this
case at the present term of this court and passed it until the
next term for further preparation and final hearing. Nothing has
been done about the plaintiff's motion for a rule to show cause
why the defendant should not purge itself of contempt.

Yours very truly,

LAN-L
