Judge Samuel M. Wilson,  
Lexington, Ky.

Dear sir:

Yours enclosing the petition in the case of L & N vs.  
Hazard Lumber & Supply Co. and also same vs. Hazard Water  
Co.

I have not as yet filed these actions as the people seem  
to have quit crossing the tracks for the present and I have it  
from a reliable source that the Hazard Lumber & Supply Company  
is making arrangements to get away and that there is some finan-  
cial trouble just ahead for the Hazard Water Company, so I  
thought I had better watch the situation a few days before  
filing these actions. Do I have your consent to this? — *Yes.*

Yours very truly,

JM-L
