Hon. O. H. Pollard,

Local Attorney,

Jackson, Ky.

Dear Sir:

Herewith Freight Claim Agent Seger's file (L-249548-LS) relative to the case of Tom Miller v. L. & N., Jackson Police Court.

I think, in this case, we should appeal to the quarterly court from the judgment of the Jackson police court. In the first place, the stove did not cost the plaintiff \$20; and, secondly, we seem not to have been responsible for its condition at the time Miller undertook to take charge of it.

Yours truly,

Assistant District Attorney.
