---

First Semester - 82 Net teaching days    Second Semester - 85 Net teaching days

Summer Session - 44 Net teaching days

Dr. Koppius, as Chairman of the Schedule of Classes Committee, stated that prior to 1953 the last date one might enter an organized class for the Summer Session had been the Saturday following the date class work began. After 1953 the date had erroneously been moved to Tuesday. Dr. Koppius made a motion that the Summer Session 1957 calendar, which was approved by the University Faculty on November 14, 1955, and the Summer Session 1957 catalog be changed from June 18, Tuesday - last date one may enter an organized class for the Summer Session to June 15, Saturday - last date one may enter an organized class for the Summer Session. This correction was approved by the University Faculty.

Dr. Koppius also stated that the Schedule Committee had not studied the class schedule for several years but was planning a thorough review in 1957-58.

In the absence of Dean White, Dr. Fisher presented for the College of Arts and Sciences new courses, dropped courses and course changes, as well as requests for members of the Student Affiliate of the American Chemical Society to be absent from the University on November 30 and December 1 for the purpose of visiting industries in the Louisville vicinity, and for the University Band to be absent from the University November 23, 24 for the Kentucky-Tennessee game in Knoxville. These recommendations were approved by the Faculty.

1. New Courses:

English 113 The American Novel Before 1900. (3)

A study of the American Novel from the beginnings to Henry James.

A survey intended to show the development of American life, thought and letters from 1860 to the present.

In the absence of Dr. Wall, Dr. Townsend presented for the College of Agriculture and Home Economics certain changes in Home Economics curricula, a course to be cross-listed, a change in course name and a change in curricula, all of which were approved as circularized.

Changes in Home Economics Curricula

In all curricula in Home Economics, change the terms "major electives" and "free electives" to "general electives".

In the General Curriculum in Home Economics, add to the requirements: History course, 3 credits

In the General Curriculum in Home Economics, change requirement: Physics 51a or 51b to - Physics 51a, or 51b, or Physics 8.

In the curriculum in Institution Management - change curriculum, Institution Economics, in name to Institution Management.

Add to the general electives in Institution Management the following: Chemistry 37, Bacteriology 52, Education 160, Chemistry 37, and a course in accounting.

Course to be Cross-listed

Agronomy 141, Plant Pathology, to be cross-listed as Botany 141, Plant Pathology, same description, credit and prerequisites.

Change in Course Name

Animal Industry 147, Poultry Feeding, to be changed in name only, - to "Poultry Nutrition".

Change in Curricula

That Library Science 25, 1 credit, be deleted as a requirement from all curricula in the Animal Industry Group.

Professor Crouse, in the absence of Dean Terrell, presented for the College of Engineering a dropped course and courses to be added for zero credit which were approved by the University Faculty.

Drop:

Engineering Drawing 2 -- MECHANICAL DRAWING -- 1 credit

Add:

Chemical Engineering 1a,b--THE ENGINEERING PROFESSION (Freshman)-0 ea.,I,II  
Chemical Engineering 2a,b--THE ENGINEERING PROFESSION(Sophomore)-0 ea.,I,II  
Chemical Engineering 3a,b--THE ENGINEERING PROFESSION (Junior)-0 ea.,I,II  
Chemical Engineering 4a,b--THE ENGINEERING PROFESSION (Senior)-0 ea.,I,II

Lectures on professional growth, conduct, and ethics. Activities of the student branches of the corresponding professional societies.

The Faculty adjourned.
