## Donovan Calls For Program To Insure Adequate Schools

Dr. Herman L. Donovan, president of the University of Kentucky, called for steps to be taken to insure the state of Kentucky adequate educational school systems when he spoke before a general session of teachers at the Kentucky Educational Association Thursday. Dr. Donovan stated that an adequate system cannot be maintained on the present financial structure. He listed three ways in which the program might be secured. "First, through federal aid, which at this time appears likely to be voted by the 81st Congress. If this happens, it will go a long way toward ameliorating present conditions. But it will not in any sense be a cure-all. "Second, by increasing and equalizing assessments in Kentucky, a program which Governor Clements and Commissioner Reeves have so courageously sponsored. "Sales Tax Alternative "If these two proposals should fail, then we, the teachers and parents of children, should insist that the next General Assembly salvage our educational programs through the passage of a sales tax, as 27 other states have already done. Dr. Donovan said the people of Kentucky must be told about the present conditions of school systems in the state and what can be done. "Tell them frankly, in no uncertain terms, that an adequate school system cannot be maintained on our present financial structure. They are not grudging in the money

## Letters To The Editor

**Editor, Kentucky Kernel:**

In the April 4th issue of the Kernel, an editorial written by you, appeared expressing disapproval of the series of exhibitions by our four graduating basketball players. I would like to explain to the student body that this editorial in no way expressed the views of the sports editor, nor any of the others on the sports staff of the Kernel. In fact it was quite the contrary. I feel that these exhibitions have not been detrimental to the prestige of the University or the players. Rather it has helped spread the fame of the basketballers and the school. Hundreds of people in Kentucky have now been able to see the Wildcats play who would never have had the chance without these exhibitions throughout the State.

## Movie Plan May Be Junked

The extension department scribs word that the series of movies it has brought to the campus this year has not been meeting expenses and may have to be discontinued.

Films shown so far and those scheduled for the rest of the semester are top-flight shows, presented with regular movie theater equipment.

And everybody who has taken in one of them has enjoyed the shows and appreciated the idea of bringing them here. The trouble seems to be that not enough people are aware of them to make the venture break even.

High quality Hollywood re-releases and fine foreign films are not easily come by in Lexington, and should prove of great interest to students. Too, the easy walking distance to Memorial Hall, the early shows, and the low prices should appeal especially to Cooperstowners.

But so far the movies aren't paying their way. Spring is probably a poor time to have to test the last few scheduled presentations for popularity, but perhaps more students will sample the shows and keep them plan from being scrapped.

## Every Day Isn't Gloomy Monday Says Melancholy Script Writers

By Pollyanna Gay

"After all, not every day is gloomy Monday," croaks Dudley.

"No," Joan sighs drearily. "There's gloomy Tuesday, gloomy Wednesday, gloomy Thursday ..."

But as far as UK's station WBKY is concerned, there's only one official day of mourning, and that's the first somber school day of every depressing week, a dismal day celebrated by the program "Gloomy Monday."

It's more of a wake than a celebration. Even the program's authors and originators, sophomores Joan Cook and Dudley Saunders, admit it's the saddest show on the air.

So many people who agree started tuning in at 3:45 p.m. on their FM sets downtown station WLIX has agreed to let the young script writers share their melancholia with the masses at 8 p.m. every Monday, beginning "Misery loves company," the authors claim. "And everybody's miserable on Mondays." Listening to "Gloomy Monday" seems to clear the cobwebs out of a depressed spirit.

"It's an antidote to Mondays," they say sadly. "Sometimes listening gets to be a nasty habit, like a drug. But it's worth every mournful moment."

**TOM DISKIN,** Sports Editor

(A great many students agree with you. But an excerpt from the St. Louis Globe-Democrat, written before the barnstorming started, shows what we mean by giving outsiders the chance to criticize: "Has anybody inquired whether some of the players on the University of Kentucky basketball team are interested in getting a degree?" the writer, Bob Burns, asks. "Or how that they have used up their collegiate eligibility, they are not concerned any more?" Sure, it's a St. Louis paper and it's sour grapes—but the column jumped at such a choice chance to criticize.—Ed.)

## Snarl When You Say That

A somewhat bashful student slunk into the sub-basement of McVey Hall this week and said he wanted to place a complaint on record.

It seems he was trying to get into what he imagined is the spirit of things on SG's "Hello, Walk," and had murmured "Hello" to all passersby.

The box score on the results read: two probable nods (the persons might have had tremors, he added), three muttered something-or-other, seven unaltered sleepy expressions, one hollow laugh, and four glares of downright hostility.

Of course it was Tuesday morning, he conceded, and perhaps the 17 weren't at their best. Just the same he wishes to state that his feelings are hurt and that he will hereafter make his way across campus by way of the experiment station farm.

## Anything For A Laugh

The program features weird interviews, odd situations, and songs had news. Anything to entertain. Such notables as Wolfgang Amadeus Mozart and Giuseppe Verdi McPish have been guests on the program. Mozart, long believed by many to be deceased, was discovered in a downtown bar, playing piano. Dud and Joan just happened to run across him one day when they'd forgotten to write a script, and they broadcast their interview with their

## Presentations Appreciated

In backing the appearance of Margaret Webster's Shakespearean productions in town this week, UK's English department has brought the plays to the attention of many students who might otherwise have missed them.

And the arrival next week of the English poet Stephen Spender promises another fine program in the series of lectures the department has sponsored here.

Sponsoring such appearances is a service that has gained considerable response. It will be interesting to note what the program will be for next year.

He was a metals expert and supervised construction of most of the wrought iron work on the campus.

### 'Gloomy Monday' (Continued from Page Two)

Neither partner cares to predict how long the new downtown broadcast spot will last, but they plan to enjoy it dejectedly while they have it. "Our aim is to spread gloom," they state. "We have much in common with our listeners. You see, they too have to live through Monday."

They'll go even further than that in their high opinion of G.M.'s purpose. Dad once signed off the show with a solemn: "You cannot have a great state without 'GLOOMY MONDAY.'"

But by then most listeners were so choked with sobs to be able to refute the statement.

"SO BEAUTIFULLY STYLED," says her MOTHER. "Actually, the most beautiful of the many Elgin Watches owned in our family is the model we've chosen for Eleanor."

"THAT DURAPOWER MAIN-SPRING MEANS BETTER PERFORMANCE," says her FATHER. "She won't be bothered with mainspring repairs in that watch."

There's an extra thrill in owning a beautiful star-timed Elgin Watch! For beneath its beauty is Elgin's exclusive DuraPower Mainspring that eliminates 99% of all repairs due to steel mainspring failures. # The Spice Of Life

By John Anderson

'Twas quite an Easter parade, but a few people seem glad to be back. The Kappas got a clever surprise when they found the Easter bunny hadn't left any eggs—instead he made off with a nice lot of jewels 'n' stuff.

The races are the talk of the town this week. Several students are trying to find a loan following a bag of misfortune at the track.

We apologize to Bill Hopkins for leaving out a line at the end of our last column. It should have gone on to say that the postman in question is the big bad wolf in Betty Richardson's life.

Sadie McConathy has become a shuffleboard fiend.

Harold Cornett is showing a new John Wayne.

Angie Schmitt is allowing the sights this weekend to a friend from Louisville. The friend is a shapely blonde named Betty Tharp.

The Interfat dance was a walloping success—and the same goes for the KD ball at the Country Club.

Felix Martin combined a bit of education with fun over the vacation. At least he learned the difference between a train and a truck. He says the red lights at the crossing confused him, but anyway his car suffered.

Bill Davis is seeing a lot of Mary Frank Ward. Is it serious?

Who gets Bobby Benham the beautiful diamond ring?

Inconstant and constant two-omes: Trudy Clay and Dave Chapman; Jo Ann Mahoney and Tom Taylor; Lory Deshimer and Van Lester.

Information, please—will Wilbur Cox please tell us who Harold is?

Tony Buecelte pronounced it (a rhyme with mutual) just returned from an aeronautical jaunt to Texas. He says he would have stayed longer, but he ate two steers at three bucks a plate—tough on the pocketbook.

Bert Cox is an authority on the level of the water in the city reservoir.

Planned: Habs Stewart and Jim Dixon; Jean Ewbank and Harold Rice; Frances Yonsey and Clyde Spears; Lila Dale Barrett and Ben

Jackson; Betty Wiley and Bill Morton; Ann Guthrie and John Prichard; R. J. Vaughn and Tommy Langston; Dodo Sirockius and Holmes Smart; Betty Milton and Dave Holliday.

The Sig Eps have a huge jackpot on how long the Yonsey-Spears pinning will last. Who knows?

Engaged: Becky Noble and Ray Connor; Peggy Hewlett and John Young; Betty Hensley and Chuck Willy; Betty Catlin and Hub Spencer.

Married: Nadine Ankey and Bill Hill; Weary Poch and Charlie Wachtman; Lorraine Grant and Roy Hill.

We thought the sky had fallen when Bobby Estill and Joyce Hayes got unpinned, but they're happily pinned again.

Tommy Langston is pinned, but it didn't keep him from calling other dames for dates over the holidays.

Lucia Bland and Jerry Inman are unpinned. Lucia gave the pin back the same day that her Pyramid Club paid \$6. This was the real \$54 question.

Welcome back, Andy Moots! That tan looks swell!

The SAE's are prepared to lose Harris Howard to the narcotic farm or the insane asylum. They thought the same day that her Pyramid Club paid \$6. This was the real \$54 question.

## Sigma Chi Best-Dressed Contest, Fashion Revue Set For Tuesday

By Ruby Graham

An Easter parade in miniature—even if it is nine days late—is planned for Tuesday night when the Sigma Chi turn "French" and unveil the 1949 fashion picture. Sororities and fraternities will again compete for awards in the Best-Dressed Contest, which is sponsored each spring by Sigma Chi.

The theme is "April in Paris." The stage of Memorial Hall will be decorated to resemble the interior of a swank Paris designer salon.

**Fashion Revue Precedes**  
The Best-Dressed Contest will be preceded by the fashion revue at 7:30 p.m. Lyle Gooding will comment on costumes furnished by downtown stores and modeled by University students.

**Stores Choose Models**  
Bill Benjamin, chairman of the contest, said that the models were named by the stores participating in the revue. Fifteen stores are co-operating.

The rules for the Best-Dressed Contest have been changed somewhat this year. The type of costume to be worn has been specified as clothes suitable for an evening date here in Lexington. Contestants are required to wear their own clothes.

Last year's winners were Libby Reynolds, Kappa Alpha Theta, and Charles Fritchard, Sigma Nu. Miss Reynolds has held the title for two years and the Sigma Nus have won the contest for the last three years. However, the individual winners in previous years have been disqualified from this year's contest.

**Judges Named**  
Judges are O. E. Schoeffel, fashion editor of Esquire; Mrs. Marjorie W. Speakman, president and manager of Bird-Speakman, Inc. in Wilmington, Del., and noted fashion lecturer and columnist; and Alfred G. Powell, Lexington businessman. Mrs. Speakman is a special authority on Paris fashions.

A coffee will be held at the Lexington Country Club Tuesday afternoon from 3-5 for the contestants and judges. The contestants are requested not to wear the apparel which they will wear in the contest, because the judges will be able to form a better opinion as to the fashion and grooming tastes of the contestants by seeing them in different costumes.

**Sorority Contestants**  
Sorority contestants are Ines

Black, Alpha Delta Pi; Gloria Eastburn, Alpha Gamma Delta; Inogene Zornes, Alpha Xi Delta; Betty Elliott, Chi Omega; Barbara Mansfield, Delta Delta Delta; Lorraine Haria, Delta Zeta; Beta Boggles, Kappa Alpha Theta; Elizabeth Guenther, Kappa Delta; Betty Hill, Kappa Kappa Gamma; Anita Levy, Tau Alpha Pi; Agnes Hutchinson, Zeta Tau Alpha; and Gloria Bilancio, Independent, Sigma Chi does not compete in the contest.

## Officers Are Elected By Phi Beta Kappa

Dr. Charles E. Snow was named president of Phi Beta Kappa at a meeting Tuesday afternoon.

Other officers chosen were Dr. Irwin T. Sanders, vice president; Dr. Shelby T. McCloy, treasurer and Mrs. Hammond Dugan, secretary.

Dr. Clyde Crawley was chosen chapter representative to attend the 50th annual celebration of the Delta Chapter of Ohio, at the University of Cincinnati, May 4.

Mrs. Hammond Dugan was chosen delegate to the triennial meeting of United Chapters at Madison, Wis., September 1-3.

### Tracksters Whip Vanderbilt, Cincy; Tony Dallas Paces Team

By Bob Gorham

Kentucky's track team kept their undefeated record intact last Thursday by easily defeating the Vanderbilt Commodores at Nashville, 89 to 82.

The Wildcats piled up 11 first places to Vandy's four, running one-two in three events. They captured five second places, while the Commodores got ten, and added eight thirds to Vanderbilt's five.

Captain Tony Dallas led the Blue and White thimbles with a triple. He won the 120-yard hurdles, the 220-yard dash, and the high jump. He also was third in the broad jump, and ran with the winning mile relay team.

Johnny Meliaus was one of four football players added to the squad recently, won the 100-yard dash and the 220-yard dash. Dopey Phelps, Al Bruno and Ralph Grentle, the other gridiron men, also gave creditable performances. Phelps was second in the 100, Bruno took two seconds in the discus and javelin, and Grentle was third in the 220.

Vanderbilt's diminutive distance star, Charley Robinson, suffered a broken leg on the sixth lap of the two-mile race, but put on a driving finish to wind up only three yards behind the winner, Kentucky's Dick Griffith. It was first believed that he had suffered a pulled muscle, but X-rays the following day showed a fracture.

Kentucky's next meet is with Tennessee on May 7. It will be run under the lights on Stoll Field, beginning at 8 p.m.

Summary of Vandy meet:  
 100-yard dash—John Meliaus (K), Don Brown (V), Harrison Lomax (K), Time: 19.2.

### Baseballers Play Spiked Shoe Relays To Be Held April 30

By Earl L. Conn

The first annual University of Kentucky Spiked Shoe Relays for high schools will be held at Stoll Field April 30 under the lights. More than 30 schools from the State have indicated that they will send teams to the relays.

The event will be composed entirely of relay runs. Relay teams representing fraternities, independents, and societies from UK will compete in the University division. Kentucky's track coach, Don Caston, will be director of the relays. He has announced a six-event schedule for the high school teams and three 800-yard relays for the University teams.

Independents will compete in one 800-yard relay and fraternities in another. Four teams selected from the UK varsity and freshman teams have been selected by Caston and each will be selected by a sorority to represent them in the sorority 800-yard relay.

The four teams will be captained by varsity captain Tony Dallas, Ralph Grentle, Johnny Meliaus, and Don Phelps.

### Baseballers Play Spiked Shoe Relays To Be Held April 30

By Earl L. Conn

The first annual University of Kentucky Spiked Shoe Relays for high schools will be held at Stoll Field April 30 under the lights. More than 30 schools from the State have indicated that they will send teams to the relays.

The event will be composed entirely of relay runs. Relay teams representing fraternities, independents, and societies from UK will compete in the University division. Kentucky's track coach, Don Caston, will be director of the relays. He has announced a six-event schedule for the high school teams and three 800-yard relays for the University teams.

If preliminaries are necessary in the University relays, they will be run off Saturday afternoon.

The events listed in the high school division are as follows: 400-yard relay, distance medley, 300-yard relay, shuttle-hurdle relay, sprint-medley relay, and the mile relay.

The competing schools have been confined to Kentucky teams this year, but teams from neighboring states probably will be invited in following relays.

Paul "Ears" Young, UK track student manager, is acting as the student director for the affair and is planning the University division.

RECORD DEPARTMENT

### "Where can I get a job with a chance to get ahead?"

MANY a young man, looking forward to graduation, is asking that question. He wants a job that will allow him to make full use of his abilities. He wants an opportunity to advance to higher responsibilities—to win the success he wants in the business world.

Here at Harvester we are sympathetic to ambitions like these. Any young man taking a job at Harvester can rise as far as his knowledge and abilities will take him. We believe in keeping the door of opportunity open for all.

Our company follows the policy of promoting men from within our own ranks—both as an inducement to good men to stay with us, and as a reward for outstanding performance.

You need only to glance at the records

of the men in our top management group to see how this policy has worked:

Of our 15 executive officers, six started in our sales operations—as warehouse clerk, salesman, service man, clerk and two as parts department helpers.

Four others started in the head office, as industrial relations man, accountant, clerk and office boy.

Three were professional men—a lawyer, an engineer, and the third who had had a distinguished career outside the industrial field.

Two began in our factories—as student employe and clerk.

So you can see how this policy of promotion from within has worked out today for these executive officers. In coming their present positions they have had an average of 28 years of service with the Company. The path these men followed to their present positions is open tomorrow to others. Every young man who joins our organization can be sure he can go as far as his capabilities will take him.

Fred Brand, a representative of Seagrams, Louisville, will be on campus Wednesday to interview seniors for secretarial positions.

Salaries range from \$42 to \$44 per week, according to the applicant's shorthand ability.

Appointments for interviews may be made in the dean of women's office.

Big Walk Hirsch and Third Baseman Dick Ramsey hit home runs and Allen Hamilton slammed two triples as the Cats outscored a 14-7 triumph against Georgia Tech in the season opener.

**INTERNATIONAL HARVESTER**

The undefeated Kentucky Wildcats go into today's baseball game with Georgia, the Southeastern Conference leaders with five straight wins, four of them conference titles.

Ray Mignerey, winner of his two starts this year, is scheduled to be on the mound when the Cats tangle with Coach Charlie Trippi's Bulldogs on the Stoll Field diamond. Southpaw Walt Hirsch will face Georgia's hard-hitting left-handers tomorrow.

In the Cats games with Vanderbilt, Monday and Tuesday, Roy Ford will do the hurling, with Mignerey back on the hill again by Tuesday.

**New Baseball Coach**

If the singing Kentuckians can whip Georgia, they will be in a good position to go to the Conference crown, a thing unheard of on Bluegrass diamonds prior to the appearance of Coach Randy Phillips.

Phillips is perhaps the first man ever hired by UK to coach baseball, and baseball alone. The tall Alabama played football at Kentucky for three years, graduating in '39. He and football coach Frank Moseley paid a baseball diamond by themselves during the Easter vacation of '38 and started a team.

Played Two Years With Baltimore

The team wasn't much but the big first baseman attracted a lot of attention. The Baltimore Orioles, top minor league team, snatched Phillips as soon as exams were over and altered him in the outfield and on first base for two years.

However Uncle Sam ended a promising baseball career when Phillips was inducted in the Army in January of '41. He played just three games during his six summers in the khaki and didn't even bother to stoop over and pick up a glove after his discharge. He was working in the Veterans Administration, when Coach Moseley asked him to take over the baseball team.

Phillips gives all his instructions in a slow, quiet Alabama drawl but makes them concise. Before the season opener against Georgia Tech after a half hour discussion he told his pitchers, "Now if you don't know what to throw these batters, just strike 'em out."

He's nervous as a shorted electric fan during a ball game. Jams his hands in his hip pockets; takes them out; folds his arms; stands on the bench; gulps dipperfuls of water; sees the dugout. But he's all smiles after a victory.

### Olympiads Beat Diddle's All-Stars Saturday, 80-65

The Kentucky Olympiads, composed of an exception of ex-Wildcat basketball standouts, defeated the Western Kentucky College All-Stars, 80-65, in a thrill-packed game before a capacity crowd in Louisville's Army Hall Saturday night.

It was a brilliantly played contest from start to finish, with the Olympiads' superior class telling in the final stages of the game.

Former UK players who participated were Alex Groza, Ralph Beard, Cliff Barker, Wah Wah Jones, Ken Rollins, Joe Holland and Paul Noel. Fairce Woods, of Kentucky Wesleyan, was the only "outsider" on the team.

The ex-Cats jumped to a 4-2 lead to start the game, but were behind later, 11-20. Then Groza slipped in a crisp and the Big Blue never trailed after that. Groza led both teams with 22; Jones, who played just as brilliantly as Alex, flipped in 20 points from all over the court. Don (Duck) Ray and Odie (Speezy) Spears were high for Ed Diddle's hosts with 15 each.

Scoring summary was:  
Jones (20) ... P ... (15) Ray  
Holland (9) ... P ... (15) Spears  
Groza (23) ... C ... (3) McKinney  
Beard (6) ... G ... (2) Gibson  
Barker (6) ... G ... (11) Osham

Reserves: Olympiads — Rollins (16), Woods (4) and Noel; Western: Towery (5); Parsley (14) and Snyder.

### Linksmen Play Miami Saturday; Then SEC Meet

The UK golf team will participate in the SEC tourney at Atlanta April 27-28-29. They are scheduled to meet the University of Miami (O.) team here Saturday.

The linksmen dropped a close decision to the University of Georgia Monday at Athens, Ga. The Bulldogs won the event 9½-8½ as Craig Wright, UK number four man, was the only Wildcat to win his match. Wright defeated Dick Martin of Georgia 2 and 1 after shooting a 97 on the first nine.

Kentucky's number three man, Marvin Lear, lost his match to Wilkens Kirby of Georgia. However, he won numbers 17 and 18 for a back nine-point victory.

Johnny Owens, Kentucky lead-off man, halved the front nine with Howard Spears of Georgia and then landed number 10 to gain a back nine split. His 76 scoring led all of the Wildcat team. Jack Asher of Kentucky lost to Owens of Georgia 2½-½ in their match.

Teah Takes Match  
Last Saturday the Wildcats dropped their match with Georgia Tech 17½-½ as the Rambler Wrecks swept every match in the meet. The Wildcats were only able to pick up one tie and thereby gain their one-half point.

Dick Swan paced the Engineers to their one sided triumph as he shot a 71—even par for the course—to lead both teams. Johnny Owens and Jack Asher both shot 76's for the Wildcats in the meet while Marvin Lear stroked an 81. Craig Wright, fourth UK golfer, shot a 78.

UK 16½, UT ½  
Earlier, last Thursday, the Wildcats had won a smashing victory of their own as they stopped Tennessee 16½-½ with the Cats winning every match.

Johnny Owens paced the Kentucky club shooting a blazing three-under-par 69 over the Holston Hills Country Club course. Tennessee's top man, Bieman McKenzie, shot a 71 but was matched against Owens and lost his match 2½-½.

Summary of the Georgia meet:  
First Foursome  
Owens (K) 76 and Spears (G) 76, tied 1½-1½.  
Smith (G) 80 defeated Asher (K) 82, 2 and 1.

Second Foursome  
Kirby (G) 77 defeated Lear (K) 78, 2 and 1.  
Wright (K) 77 defeated Martin (G)

Five of the players on the Olympiads, composed chiefly of former Kentucky Wildcat cag stars, are shown above shortly before taking off for Paducah Monday for their game with the Benton All-Stars. The other members of the team joined them at Paducah. The Olympiads play tonight at Middleshore against LME of Tennessee; Saturday at Harlan against a local all-star quintet; and Monday night in Owensboro for another round with Ed Diddle's Western Kentucky All-Stars. The Olympiads donated proceeds of their first four games to charity, which amounted to approximately \$5,000.

79, 2 and 1.  
Kentucky won low ball 2½-½.  
Xavier Match  
On April 9, the Kentucky golfers notched their first home victory of the season by defeating the Xavier University niftickers, 24½-2½.

Summary:  
Kentucky 24½, Xavier 2½ (First Foursome)  
Owens (K) 84 defeated Mearns (X), 78, 2-0.  
Asher (K) 74 defeated Dean (X) 83, 3-0.  
Kentucky won low ball, 2-0.

Second Foursome  
McMullen (X) 76 defeated Lear (K) 76, 2-0.  
Wright (K) 72 defeated Pater (X) 79, 2-0.  
Kentucky won low ball, 4-0.  
Hamilton (K) 80 defeated Bamber (X) 81, 2½-½.  
Toyer (K) defeated Evans (X) 86, 2-0.  
Kentucky won low ball, 2-0.

TENNIS COURTS  
Weather permitting, the clay tennis courts, opposite the Men's Dormitories, will be ready for use sometime this week, according to Dr. Don Seaton, head of the physical education department.

Work on the courts began Tuesday afternoon and will be completed as soon as possible, he said.

Opening of the courts has been delayed because of the weather and the soundings being taken by the engineering staff for a new chemistry and physics building, which will occupy that area, in the future.

Construction of the building will not begin for some time, however, and the courts will be available this spring and summer, Dr. Seaton said.

### Footballers Tangle At Newport Saturday; Grid Clinic Apr. 29-30

Football makes its 1949 Northern Kentucky debut tomorrow night in Newport, site of the third Blue-White spring practice game. This tussle was originally scheduled for Louisville.

Following a lay-off of several days, the Cats returned to the grid-iron this week to begin a grueling two-week practice session that will have its wind-up April 29. That is the date of the final intraquad exhibition tilt, which is billed for Stoll Field that night.

Series Opened  
Each team has emerged victorious once thus far, the Whites taking the opener, 26-6, in Paintsville, and the Blues coming through with a 19-13 decision in a thriller two weeks ago at Madisonville.

Whites Vm Opener  
Here is a scoring summary of the first two intraquad games. In the Paintsville game, Cliff Lawson scored the lone "Blue" touchdown, in the fourth quarter.

### Blues Come Back

The squads were more evenly divided according to strength for the second game, which explains how the "Blues" jumped into the win column.

In the second period, Quarterback Ed Vance passed to Ed John Neaskie from the third-yard line to send the "Blues" ahead permanently. In the third quarter Shorty Jamerson increased the lead, scoring from the eight on a right end sweep. The "Blues" scored again in the third period when Vance

### DisKintucky Sports Review

— By Tom Diskin, Sports Editor —

Bill McCubbin, director of intramural sports, has been seeking to get the University to install night lights on the IM field behind the Student Union Building as soon as possible.

We feel that this will solve a big problem now, that is, allowing the expanded IM program better playing facilities.

At the present time, the softball competition has been very limited because of the weather and the shortage of playing fields. Sometimes in the past the softball teams have been able to use four different diamonds. But right now, the varsity football team is utilizing two of them for grid practice, while the third is being used by U-High for basketball workouts. That leaves only one which must accommodate over 30 teams and 300 players now engaging in IM softball play.

As things stand now, a team fortunate to play two weeks between games. Because of afternoon class, games cannot start before 4 p.m., which means that only two contests can be squeezed in before darkness — one at four, and another game starting at five o'clock or thereafter.

Night lights seems to be the only solution to the situation, for with them intramural softball, as well as some of the other sports, can then be held at night and as many as four games and eight teams can play in one evening, provided the weather is good enough.

Intramurals under the arc lights are quite common throughout the South. Texas, Vanderbilt, North Carolina, LSU, are just four of the schools that have been able to expand their programs as a result of night lights.

It will be almost tragic if these funds are not appropriated for the IM program which affords about the only physical exercise many of the students of UK ever get while at the University.

Over 250 persons turned out Saturday at the Kentucky Hotel for the Ralph Beard testimonial dinner. ### Ruppen Invited To Sugar Bowl Tourney Again

Coach Rupp's Wildcats have been invited to return to New Orleans next December 22-29 for the annual Sugar Bowl basketball tournament. It was announced last week by Basketball Chairman Sam Cornwell.

In addition to Kentucky, another SEC team was also invited, the Tulane Greenies. Representing the Midwest is Bradley University, which will replace St. Louis U. winners last year.

Villanova of Philadelphia was awarded the Eastern nomination. Last December, Holy Cross was selected from the East.

Bradley and Villanova finished in the semifinals of the NIT and the NCAA respectively this March, while Tulane was in the SEC finals with Kentucky. The Greenies from New Orleans lost only four games last season, three being to the Big Cats of U.K.

These shirts are given in interesting designs with knitted crew necks, buttons and sleeves and the weight is fine. Another amazing "T" shirt by Marlboro is the Heritage made of white jersey with penny size polka dots. These are selling very fast and I have only a limited supply.

LARKIN . . . J. V. Larkin, that is, of Sigma Nu is sporting a new spring sport coat these days that we made for him of grey worsted flannel. He is tall and slender and I personally think he used good judgment in picking a material of this type. The style he selected is also very good — four patch pockets with inverted pleats and side vents in the tail of the coat. He has good taste!
