FROM LSO

LSO PICNIC

Sixty-five people attended the LSO picnic June 10th at Spindletop and enjoyed both good food and good company on one of the most beautiful evenings of the year.

Once again, Barbara Randolph and Company (also known as the Social Committee) pulled off a terrific, fun time. A special thanks to Paul Willis for his help and for the use of his good name to make arrangements at Spindletop. Hats off!! Everything from fried chicken and potluck dishes to the yummy desserts and refreshing drinks contributed to a relaxing, laid-back, plain old "good time".

Prizes were awarded to winners in the bingo games and condolences to the losers. For those so inclined, frisbees, balls, volleyball and badminton were available, not to mention congenial company and lively conversation. Later on in the evening, a band played 50's and 60's music on the back patio at Spindletop. (No, LSO did not arrange that, friends!) Make plans to come to next year's picnic.

LSO SPONSORS STATE LIBRARY TOUR

A trip to the State Library is planned for Thursday morning, August 18. We will leave at about 8:30 and return at about noon. Seating is limited to about 40 people since we are taking the old AG bus. If you wish to go contact Perry Bratcher at 7-8392 before August 4th. The cost is \$1 for LSO members and \$2 for non-members. Seating is on a first come first serve basis so get your bids in early!

VOLLEYBALL EQUIPMENT

Yes, after one false start, LSO now owns a volleyball, a volleyball net and set of poles, an air pump, and 2 frisbees. Money raised two years ago for this purpose was finally spent.

This was one of two projects for this year's LSO officers. The other project is to revise the LSO constitution and bylaws. John Bryant is chairing a committee to work on that. We hope to be able to bring that to a membership meeting sometime in October, at the latest.

BEST WISHES

Our best wishes to the following people who will soon be leaving us:

PATTY DACCI who is looking forward to staying at home for awhile with an expected newcomer to the family. (August 17th is the due date. We'll be thining of you!

NAZEE DEPP who will be returning to school full time in the fall. She hopes to finish her undergraduate degree in two years with a major in languages and then go on for a MLS. Nazee will leave her staff position in mid-August and then return September 1st as a student assistant in CSR. (Glad you're only putting on a different hat and not really leaving us for good!)

LYNN FOGLE who will be Head Librarian of the Laurel County Public Library in London, Kentucky, beginning August 1st. (Director first time out? Impressive!)

CATHY PENBERTHY who will be going back to school to get a second masters degree in English. She'll be attending UK and working as a T.A. for the English Department. (Did you have to turn in you library key? I mean, there should be some fringe benefits for former employees!!)

LYNN SHREWSBURY who finished her MLS and has accepted a position as customer service and education coordinator with Blackwell North American in New York City. (She says that the fancy title just means she gets to do a little bit of everything!) She'll be on her way to England for training on July 28th. (Obviously, Blackwell's benefits aren't too shabby--ENGLAND for TRAINING???)

Lots of good luck to all these folks!!!

CONGRATULATIONS!

LSO extends congratulations to THERESA STARNS who is now MRS. JERRY SMYTH. Best wishes to the newlyweds!

ALERT!!

Rumor has it that JEANNE TRIMBLE (GPD), PATTY DACCI (CSR), GAIL KENNEDY (Acquisitions) and SANDRA CLEMMONS (Acquisitions) have been drinking the same water. If this is true, we'd like to know where this water is -- some of us want to drink too and others want to "Steer clear"! With three out of four working on the second floor of King North, I wonder what's going on up there!?? (We hope that the new arrivals will be happy and healthy!)

WELCOME

A special welcome to three new staff members -- SONJA RIGGEN in Catalog Maintenance, SUSAN TIPTON in Administrative Services, and BRIAN COUTTS in Reference. Sonja has replaced SHARON HAGGARD who is now working in SOLINET. Susan, formerly in UK's General Accounting Office, now is in MARIE CARTER'S old job. Other internal transfers include LARRY GREENWOOD who is now head of the Education Library and LINDA RAINES who is a new technician, also in Education.

FROM THE STAFF

Dear Friends:

Thank you so much for the Gorham crystal dish. It is very nice and I appreciate it!

Beryl Gaither

Dear Friends:

Thank you so much for the attractive candy dish from Shillito Rikes. It is very kind of you to think of giving it to me and will have many uses. I've always liked cut glass.

I agree that congratulations are in order. Anyone who is able to work thirty-three years in a place with so many grand people has been most fortunate. I am very aware of this.

Thank you for the present but even more for your friendship.

Sincerely,
Bess Clotfelter

The candy dish is lovely sitting on my coffee table. I appreciate it so much. Best wishes to each of you in keeping the library going without me - that's hard to do.

Thanks also for the cards of sympathy in the loss of my dear brother. It's so good to have friends.

Ellen
