Dear Dave -

tes letter to-day -
guess you are too busy.
Mother & I were wishing this
morning that you were coming tonight.
We have so many good things to
eat - watermelons, cantaloupes
peaches & beans. If N.Y. were
not so far away.

Did I not get 7 preserve
this morning - have been packing
up our vehicles so going to take
as much as he can. We can run
out there & get it.

We were all up at Neal's last
night - they were asking for
you - Cut a delicious watermelon
