UNIVERSITY OF KENTUCKY
LIBRARIES

June 15, 1973 No. 4

LAW: Class K Progress Report. To date about 1,200 titles have been transferred into the LC Classification. The filing for the new catalog has not yet gone beyond the author cards, but a new subject catalog with filing behind guide cards for most entries is in the process. Very little original cataloging has yet been done since the titles have been transferred were taken from LC or other libraries who have gone to Class K, but it will be started no later than July 1973.

POWELL: Russell Powell, Engineering, will be presenting a paper entitled "Coordination between Classroom and the Library" at the annual conference of the American Society for Engineering Education. The conference is being held in Ames, Iowa at Iowa State University, June 25-27, 1973.

PRESS CONTROL: Western Maryland College has a basement in one of its buildings leased by the Federal Government. It "... until recently was the place where eight civilian censors would have reported to operate the Wartime Information Security Program (called the Office of Censorship before the name was changed by the Nixon Administration)." David Wise, the author of the Politics of Lying: Government Deception, Secrecy, and Power says that the space would be used by the eight "... to interpret and administer 'a seven-page, single-spaced Censorship Code,' if ordered to do so by the President." (The Chronicle of Higher Education, 7:3, May 29, 1973)

TRIVETTE: Dean Trivette, Agriculture, recently reviewed Russian Agriculture, a Geographical Approach by Leslie Symons for future publication in the Agricultural Education Magazine, a professional agriculture journal.

PERSONNEL CHANGES: Termination: Joyce Ray, classified, Special Collections; Gail Ruffner, Classified, Agriculture.
