DR. OTIS A. SINGLETARY President, University of Kentucky

Dr. Otis A. Singletary has maintained an active role both in academics and athletics since he became the University of Kentucky's eighth president in August 1969.

Great strides toward academic excellence have characterized Dr. Singletary's presidency at UK. The Schools of Dentistry and Pharmacy consistently rank among the best in the nation. Departments such as political science, history, and mathematics have also gained nationwide attention while the UK Library now rates among the best in the Southeast.

Under Singletary's leadership, the University of Kentucky has also become a major research institution. The Albert B. Chandler Medical Center is an established leader in research on cancer and the aging. UK's agricultural college

has provided important research in tobacco and equine diseases while other University research has focused on the field of coal and other energy sources.

Singletary's involvement in athletics is as impressive as his academic achievements. A former president of the Southeastern Conference, Dr. Singletary is a member of the NCAA Select Committee on Athletic Problems and Concerns in Higher Education. He is also chairman of the board of directors of the College Football Association.

As president of the principal institution of higher learning in the Commonwealth, Dr. Singletary is greatly concerned with the University's role as a land grant institution, a "people's university" accessible to all who can profit from education.

In the 13 years Singletary has been president, the University of Kentucky has grown in enrollment to about 23,000

students on its Lexington campus and more than 22,000 students in the University's 13 community colleges.

Recognition of his service to the University of Kentucky was evidenced by the UK Alumni Association which presented to Dr. Singletary its Alumni Service Award, an honor rarely bestowed upon a non-alumnus of the University.

A native of Gulfport, Miss., Singletary holds degrees from Millsaps College and Louisiana State University. An accomplished administrator, Dr. Singletary served as chancellor of the University of North Carolina at Greensboro and was executive vice chancellor for academic affairs for the University of Texas system prior to coming to Kentucky.

He and Mrs. Singletary, the former Gloria Walton, have three children: Bonnie, Scot, and Kendall.

CLIFFORD O. HAGAN Athletics Director

the 1984 NCAA Basketball Championships. In 1985, the prestigious NCAA "Final Four" basketball championships will be hosted by UK and held in Rupp Arena.

Having graduated from the University of Kentucky with high distinction in 1954, Hagan has been a long-time advocate of a strong scholar-athlete program.

Hagan, one of the greatest players in UK basketball history, received one of his highest individual honors in 1978 when he became the first University of Kentucky player to be inducted in the Naismith Memorial Basketball Hall of Fame in Springfield, Mass.

An Owensboro, Ky. native, Hagan is married to the former Martha Milton,

also of Owensboro. They have four children: Mrs. Barry "Lisa" Thaxton of Lexington; Mrs. Jim "Laurie" Hill of West Liberty; Amy, a senior at the University of Alabama; and Kip, a sophomore member of the Transylvania University basketball and tennis teams.

When Terry Hall arrived at Kentucky in 1980, the Lady Kats were coming off their most successful season ever and beginning to gain national respect. They had been ranked in the Top 20 throughout the 1979-80 season and had finished the year with a 24-5 record and a berth in the AIAW National playoffs.

But the season was just a hint of the great things to come under Hall's guidance. The Lady Kats have gone far beyond respectability and into the perennial role of national contender. They have been ranked in the Top 20 every week and averaged 24 wins per season since Hall's arrival.

In her first year at UK, Hall's Lady Kats went 25-6, winning the Kentucky Women's Intercollegiate Conference and reaching the final round of 16 in the AIAW National tournament. Hall was named the KWIC Coach of the Year that season.

In 1982 and again last season the Lady Kats were considered among the top contenders for the NCAA championship. The 1981-82 squad won the Southeastern Conference championship and reached the quarter-finals of NCAA play before losing to eventual national champion Louisiana Tech on the Lady Techsters' home floor. Last year's Lady Kats were ranked fourth

COACH TERRY HALL

in the nation but fell to Indiana in the first round of the NCAA tournament.

Hall's record at Kentucky is 72-19, and considering Kentucky's tough scheduling habits (10 games with ranked opponents last season AND this season), a .791 winning percentage is outstanding. Her career record is 165-79. That mark includes one season at Eastern Kentucky, five at Louisville and three at Kentucky.

Hall began her coaching career in the high school ranks. Following her graduation from Indiana State in 1966, she was named head coach at Butler High School in Louisville. In five seasons at Butler, Hall coached her teams to two Jefferson County titles and an overall record of 69-33.

Then it was on to Eastern Kentucky University, where Hall earned her Master's Degree in 1974 and was immediately named head basketball coach. The Lady Colonels went 14-6 that season and won the KWIC title over Kentucky, Louisville, Western, Morehead, Murray and Northern Kentucky.

Hall then accepted the coaching job at Louisville, where she was faced with rebuilding a program. She succeeded, guiding the Lady Cards to a 79-54 record over five years. In 1979-80, her last season at U of L, the Lady Cards won their first Metro Conference championship. Hall also coached tennis and softball at U of L.

A native of Salem, Ind., Hall earned both her undergraduate and graduate degrees in Health and P.E. While attending Indiana State, she starred in basketball, field hockey and volleyball. She was honored with the "I" Woman Award in 1965, and received the prestigious Hillman Award in 1966 as the most outstanding female athlete at ISU.

Coach Hall on Kentucky's Style of Play: "Our style of play, or trademark, is the fast break. We believe that applying immediate pressure on the defensive team is one of the best ways to win a basketball game. Kentucky is one of few teams in the country totally dedicated to fast break basketball. Defensively, we play whatever defense we feel will exploit our opponents' weaknesses. Our main concerns are controlling the tempo of the game, teamwork, and shot selection by our players."

Coach Hall on Working With the Players: "I place a high premium on hard work and dedication to the task at hand. I want my players to feel the same way. I try to teach them that "doors of opportunity" open and close very quickly in life as well as on the basketball court. So always be prepared. In the span of a lifetime, their 4 years of college basketball is short, therefore they should work hard, be dedicated, excel, and enjoy the opportunity that exists."

Mike Kindred

**Assistant Coach
Eastern Kentucky University, 1980**

Mike was hired as a part-time assistant at UK in July, and then was elevated to full-time assistant in late September following the resignation of assistant coach Dottie Berry. A 1980 graduate of Eastern Kentucky, Mike served for two seasons as assistant girls' basketball coach at Estill County High School in Irvine, Ky., before coming to UK.

A native of Winchester, Ky., Mike graduated from Clark County High School in 1975. He then attended Morehead State University for one year before transferring to Eastern. He received a degree in Industrial Education, and then taught at Clark County for one year before accepting a job at Estill County.

In his first season at Estill, Mike helped direct the varsity squad to its first-ever winning season in 1982. The following year, the Lady Engineers won their first district championship. Mike's junior varsity squad, meanwhile, was doing even better, finishing with a 15-4 record in 1982 and a 19-4 record in 1983.

Mike is very active in the Big Brothers-Big Sisters program, and currently sits on the organization's Advisory Board in Winchester. He is also an active member of the Fellowship of Christian Athletes, and was the FCA's 10th Region representative last year while coaching at Estill County.

Joining the coaching staff at UK fulfills a life-time dream for Mike, a 26-year old bachelor who has always been a "Big Blue" fan.

ROBIN BOARD

**Graduate Assistant
Louisville, 1983**

A former player for Coach Terry Hall at Louisville, Robin joined the Lady Kat staff in September. While at Louisville, Robin lettered in basketball four consecutive years, two of those seasons with Coach Hall at the helm. She was a member of the Lady Card teams that won Metro Conference titles in 1979 and 1981 and is in the record book for best free throw percentage in a season, which she set in 1979. Robin was also an outstanding high school player at Louisville Butler High. She helped her team to the Girls' State Tournament in 1976 and 1978. She was All-State honorable mention for three straight years and played in the East-West All-Star game in 1978. She also played tennis for three seasons and ran track one year at Butler.

Robin is pursuing a Masters Degree in Recreational Therapy at UK. She has a great interest in young people and has participated as a volunteer for Special Olympics for five straight years. She also is credited with starting two Youth Basketball Camps in 1981 and 1982 at the St. Matthews YMCA in Louisville.

A former collegiate softball player at U of L, Robin has umpired softball and officiated basketball and volleyball. She is 23 years old and single.

SENIORS SAY GOODBYE TONIGHT

Kentucky's four seniors will be playing their final home game tonight in Memorial Coliseum. Together, they have enjoyed fine careers that included an outstanding four-year record of 86-31. All four still need a few credit hours before graduating from UK, and they all plan to back next year to complete their degrees.

Following is a brief summary of the career's of Lisa Collins, Lynnette Lewis, Jody Runge and Donna Martin:

LISA COLLINS was one of the most highly-recruited players in the nation as a high school senior at Laurel County in London, Ky. She talked to many college coaches, and even visited such powerhouses as Old Dominion and Tennessee, but she knew she would never consider going anywhere but Kentucky.

It seems a distant memory now, but Lisa has never regretted her decision. Neither has the players, coaches, or fans of Lady Kat basketball. Since the big fanfare that escorted the 1980 Miss Basketball into the University of Kentucky, Lisa has quietly played out her role as one of the most important and one of the most frequently-used players in the Lady Kat program. She now needs just 21 points to pass Linda Edelman as UK's eighth all-time leading scorer and needs just 78 points to hit the 1,000 mark.

Throughout her high school career, Lisa played guard, and continued to play guard as a highly-regarded freshman at UK. But as a sophomore, necessity dictated that she be moved to forward. Since then, she has played both positions, starting most often as forward the past three seasons.

In all, Lisa has played in 113 games at Kentucky. Always known as an outstanding shooter and passer, she hit career highs in both categories this season. Her point high came this week, when she hit 32 against Vanderbilt. Her assists high was 11 earlier in the year against South Carolina. Although forwards rarely have high assists averages, Lisa has been ranked in the top 10 in the SEC in assists all season and is currently ranked sixth.

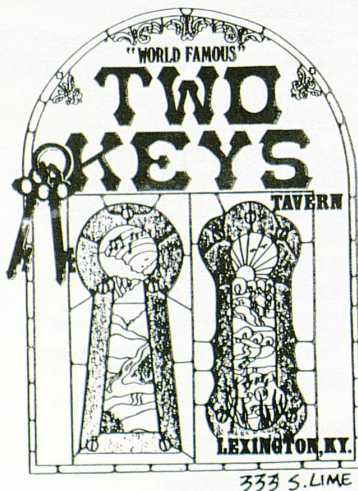

Lisa Collins is going out in style.

Besides her outstanding play on the court, Lisa has been instrumental in other ways, too. Recognizing her positive attitude as a sophomore, Coach Terry Hall awarded Lisa the Coach's Award, given to the player best displaying the qualities a coach looks for. Last year, she was recipient of the Gloria Singletary Leadership Award.

A co-captain on this team who was named to the Lady Kat Invitational all-tournament squad in November, Lisa currently averages 12.1 points, 3.5 rebounds and four assists.

LYNNETTE LEWIS could have had scholarships elsewhere, but her heart, too, was at Kentucky. So she walked on after an illustrious career at Cawood High School in Harlan County. Injuries and illness have limited her to playing in only 22 games in four years. But they certainly haven't stopped her from contributing.

Armed with a positive, happy attitude and a devout Christian faith, Lynnette assumed the role of spiritual leader over the years and was named co-captain with Lisa even though her contributions were few on the court.

Lynnette's best season athletically was her freshman year, when she played in 12 games and scored 19 points and pulled down 28 rebounds. But the following summer, while the team was practicing for an upcoming trip to Japan, Lynnette suffered her first knee injury. When the team reassembled for preseason practice the next fall, she twisted the same knee and tore cartilage and ligaments. That resulted in a lost sophomore season. She returned to the team as a junior but was still slowed by the injury. She seemed to be in much better shape this season, but lost a month of action due to mononucleosis in December.

Although she has faced many setbacks, Lynnette has gained more out of her years at UK than many would. "Basketball is just a game for fun," she said. "It's the personal relationships that are more meaningful. A game lasts only 40 minutes but close friendships last a lifetime."

Jody, Lynnette, Donna and Lisa watch the younger players.

JODY RUNGE arrived at Kentucky with no experience in five-player basketball. Her high school days were spent in Waukon, Iowa, where girls play half-court basketball — three on offense and three on defense. Jody was a scoring machine there, scoring a career 2,296 points and hitting for 81 points in one game.

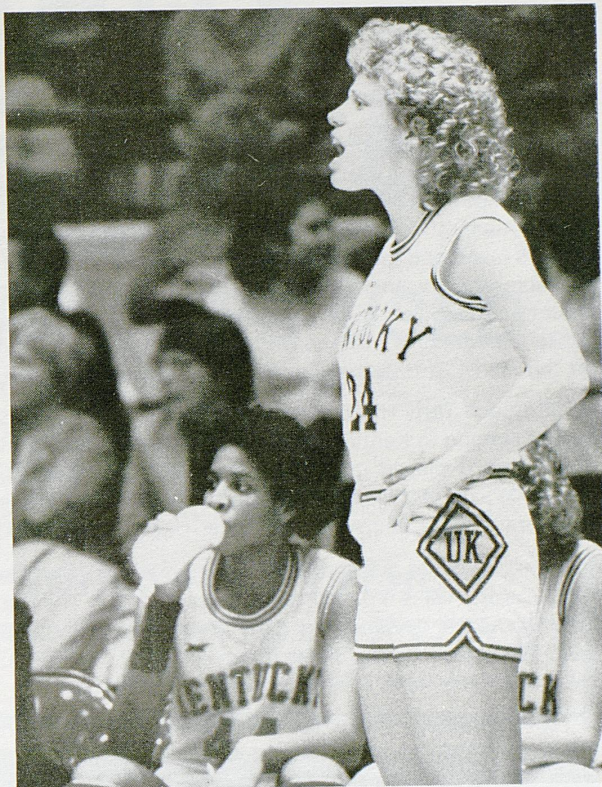

When she came to UK, she was faced with competing against three-year starter Liz Lukschu and freshman All-American Valerie Still for playing time. With no defensive experience and that kind of competition, the road was tough for Jody but she worked hard and was named Most Improved Player on the team following her sophomore season.

Jody has played in 97 games at UK, including all 26 this season. She has started 22 times and is averaging nine points and 3.6 rebounds. She had both her career high points and rebounds against Detroit this season when she hit 19 points and grabbed nine missed shots to help Kentucky win in double overtime. Jody has 31 blocked shots this season and has been ranked in that category in the SEC statistics most of the season.

A good shooter, Jody has a career field goal percentage of 52.5 and is hitting 83 percent of her free throws this year.

Donna Martin lends vocal support.

DONNA MARTIN came to the Lady Kats after spending a short time on a basketball scholarship at Valdosta State. She arrived at UK midway through her freshman year and was a welcome addition, playing in 19 games and averaging almost three points and two rebounds. As a sophomore, she played in 17 games and played her best basketball when she was needed the most. Because of her fine season, she was awarded a scholarship prior to her junior year.

Donna is a graduate of Tates Creek High School, where she earned all-state honors as a senior. Always an athlete of great potential and ability, she has had setbacks that kept her from reaching peak performance. In the first game of her junior season, she severely twisted her ankle and missed 10 games as a result. Earlier in this season at Georgia, she twisted her ankle again, but fortunately it was a mild sprain.

Always a team player, however, Donna has been a catalyst even when not in the game. She rarely sits on the bench when she isn't on the court, because her enthusiasm and vocal support has her standing almost constantly.

She has had a good share of game contributions, too. She has played over 200 minutes this season and has played in 25 of the team's 26 games, including one start. She is averaging two points and has dished out 25 assists this season.

UK - U of L Women's Series Has Spice

RECORDS: Kentucky 14-12
Louisville 12-13

Series Record: Kentucky leads 17-6

Although their seasons have been similar, you can throw out the records and everything else when these two teams take the floor tonight. The fact that it's the last home game for Kentucky's four seniors might seem to count in Kentucky's favor, and the fact the UK point guard Sandy Harding sprained her ankle Wednesday night might seem to count in Louisville's favor. But this is UK vs. U of L, and while the women's rivalry hasn't matched the excitement of the men's, it does have some added spice of its own.

UK Coach Terry Hall coached at Louisville for five years before coming to Kentucky. Lady Kats' graduate assistant Robin Board played under Hall at U of L. In addition, Louisville's current head coach, Peggy Fiehrer, was Hall's assistant at both Louisville and Butler High School.

Kentucky owns a seven-game winning streak over the Lady Cards. Hall is 4-0 against her former squad. The last time Louisville downed the Lady Kats was during the 1978-79 season, when, under the direction of Terry Hall, the Lady Cards beat Kentucky three straight times.

Like Kentucky, Louisville has had an up-and-down season. But also similar to Kentucky, Louisville is playing well now. Last week the Lady Cards rolled past a good Southern Mississippi team 95-73. And Wednesday night, while Kentucky was trouncing National College 109-46, U of L was surprising South Carolina 79-74. In that game, junior guard Jackie Spencer scored 22 points, following a career-high 31 against Southern Mississippi.

Kentucky has had a red-hot player of its own in senior forward Lisa Collins, who has broken her career-high points total three times in the last three weeks. Her best effort was a 32-point effort Monday night against Vanderbilt.

UK boasts the Southeastern Conference's second-leading scorer in sophomore forward Leslie Nichols, who averages 18.4 points a game. Spencer leads U of L in scoring with a 14.3 average. But statistics, like records, can be thrown out for this one.

"In the commonwealth of Kentucky, whenever these two schools take each other on, it is great for the sport of basketball," said U of L Coach Fiehrer. "Natural rivalries are what make basketball so exciting."

Louisville has a home game against Alabama-Birmingham Monday before its Metro Conference tournament March 5-7. UK doesn't play again until the SEC tournament March 2-5 in Athens, Ga.

UNIVERSITY OF KENTUCKY

Social, Cultural and Recreational

Opportunities for UK students are not limited to the academic world. Involvement in the social and cultural aspects of University life also is important.

Recognizing this, the University provides the widest range of opportunities for personal and social development. If a student likes music, for instance, the Concert and Lecture Series brings outstanding soloists and symphonies on campus. There are chamber music concerts and hard rock concerts, impromptu bluegrass groups and flute recitals. If one likes to participate, opportunities abound—there are several choral groups, a marching band, the symphony orchestra, the symphonic band—or there is always the guitar with a few friends under the trees. Whichever one chooses, at UK it's available—and there's someone to share it.

There are 22 national fraternities and 16 national sororities on campus. "Rush," or member recruitment, takes place before classes begin, and informally throughout the year.

In addition to supporting the various Wildcat and Lady Kat teams, men and women students take part

as individuals or in groups in competitive sports and in intramural programs. The Seaton Center houses facilities in basketball, volleyball, badminton, squash, wrestling, and table tennis. An Olympic-size swimming pool, tennis courts, and several sports fields are available to students.

A similar variety of opportunities in drama, student government, athletics, service organizations, and recreation, is available.

The city of Lexington also offers UK students much in the way of entertainment. Lexington has a Philharmonic Orchestra, Chamber Music Society, the Lexington Singers, a Council of Arts, and a local Ballet Company. Movie theaters, international restaurants, coffee-houses, top-ranked acts of all types at fabulous Rupp Arena in the Lexington Center, historical landmarks, parks, and shopping centers, thoroughbred and harness

racing, fine fishing in lakes, ponds and streams . . . all in easy distance of the UK campus.

Tailgating at football games, lining up for tickets to see nationally famous Wildcat teams in Rupp Arena or Lady Kat games in Memorial Coliseum, participating in the "Little Kentucky Derby," attending concerts at the downtown arena or in the 11,500-seat Coliseum on the UK campus, visiting the internationally famous Kentucky Horse Park . . . all just a few of the many attractions of Lexington and the University of Kentucky.
