Dear Carolyn:

I have jotted down some references to things I need: doubtless some of them are in the library. Don't bother with the article in Accent, I can catch that sometime in Louisville. Many thanks and best wishes to you and Victor. I would be very grateful if you could send me one or other of these items on loan-- perhaps a loan extended beyond the end of the year, or one that could be extended. Again, thanks and best wishes

Tom,
