

18th April
Left Lexington at 2 P.M. for New York & arrived

20th April
At New York at 7 A.M. a very sick & tired man
& remained in bed most of my time in New York -

22nd April
Met brother Nick & his wife, & William Hopper;
& Nick went on board the Steamship City of
Brussels to see me off; sailed at 3 P.M.

26 April
Terribly, horribly, awfully, dog sick for the
last four days - Got over it now, & learning
to walk the deck - stiff breeze from N. W.
all sail set & booming along famously. The
sails were never taken in till we arrived in
The Mersey -
