

and deal not fair proportions, they
wrote, because white Cheat us, and
the distribution was equal -
The spirits, this I am told is always
by turns always keeps sober to
up a trial among the young
and promised the best thrower a
keenness, selecting with the at
mer, stones from the River and having
stone, without moving the position
Nipper balance, and this I
think myself a good stone the
no chance with these fellows.
a more friendly feeling, believe the
some reason, the British Govern
The ride to the Falls is through
part of Canada I have seen -
through the Yankee, dubbed the Badger
falls, approaching the brink of the
a first sight and was just come
by an exclamation from my
"here right away" - there certain
trapped
most suitable I have heard,

answered no, no, we never cheat our man only
from the effect produced I should think
There was one among them who never tasted
the case that in a party one and they tasted
has a watch and care over the rest - I got
men who would throw a stone furthest
glass of grog, so to it they went with great
most care and in the most deliberate man
planted themselves, they threw stone after
of their feet, so as found by experiment the
find gives more purchase - I used to
over, but as to length and precision I had
There seems, I think throughout Canada
Indians settlers than in the States and with
most treats them better than the American
much the pleasantest and most cultivated
Without stopping to get the dust out of our
and I hurried away to get a first view of the
spectacle with great empressment I caught
meowing to naprodise when I was cut short
by my companion. "I guess turkeys would fatten
by were immense quantities of Grass
