Dr. Thomas Bullock:-
"Ashland," Lexington.

Dear Dr. Bullock: -

I am enclosing copies of the pictures taken at "Ashland" on July 23, when you so kindly conducted us about the beautiful estate. I am still enjoying the memories of the interesting place and the atmosphere which surrounded that "Great Commoner".

I beg you to accept these pictures in appreciation of your hospitality and kindly interest in our sight seeing trip.

Sincerely yours

Marion R Strossman
