My dear Brother

Yes we have lost our dear Father, now we are poor little orphans indeed and must love one another with all our hearts and oh my dear Brother how much I want to see you, wont Grandpa let you come down, Uncle Smith wrote to Uncle James to let you come. We are in very deep affliction, Cousin Nonette and Uncle Smith feel very much for our dear Father loss and Cousin Nonette has put on mourning for him.

I hope I shall never leave Cousin Nonette, I hope we will live with her all our life she and Uncle Smith are both very kind to us.

I am glad to hear that Grandpa and Grandma love it so well.

I have not seen Grandpa Prother since we heard of Fathers death she says she is not able to see us yet aunt Mary and aunt Abby come to see us yesterday.

Your affectionate and Beloved Sister

Anne Cloy
