Dear Uncle Henry

I saw Eliza this morning but
could not get any statement from her
She said positively that she would not make
one that all she had to do was to go to
Ashland & "Miss. Ann" would give her whatever
she wanted.

I explained to her that that was just what you
wanted to do, that I wanted the amount
so that we could settle in full.
She has an idea that you have six hundred
dollars of her money & explains it in this
way. She says that she gave you \$100. Then \$200
& that when she left Mrs. Zouner she gave you
\$100 or \$175 she does not remember which, that
the difference between these amounts & \$600. is for
interest.

I did not give her any money but told her
that as soon as she would make a statement
that you would settle with her in full.
She says she is going up to Ashland to
see you.

Will keep the \$20. which you sent to me
until the first of next week & if I hear
nothing in the mean time will send
it back to you. She has her heart set on seeing
"Miss Ann" & does not wish to see you about the
matter.
