Dear Henry

Let me apologize
at the beginning for not sending
to you a statement of the money
expended for taxes. I was very
busy before I left home for my
annual visit to Logansport
and have just returned after
two weeks absence. There will
be some \$50 coming to you and
I will prepare the statement
and send it to you with the
balance next week. Benin
said a man named Gubert
wants to pay one of his notes -
you had better send me his
notes and perhaps for convenience
all of them. Prepare an accurate
list of the notes and keep it
and send me a copy with the
notes and I will receipt it
