

Would you kindly tell me
if it is possible to get them,
and what the probable ex-
pense would be. I know
there is some difficulty in
getting them on account of the
prohibition to shoot, and that
in Canada, at least, they are
very rare: but, in the States,
the same difficulty may not
obtain.

Pray present my greetings
to Mrs M^{rs} O'Donnell. I hope

Dear Mrs M^{rs} O'Donnell

I am very anxious
to obtain a pair of moose
horns for the Museum of the
University of Edinburgh, and I
apply to you, as a mighty
hunter, to put me in the
way of getting them. From
Prof. Gairdner we have got
Wapiti, Prowhorn, sheep &c,
but we lack the moose.
