

Frankfort-  
Jan. 3. 1895-

My dear Mr M<sup>c</sup>Dowell,  
You must have  
returned from your  
holiday trip by this  
time and I want to  
send my thanks for  
your usual handsome  
present. It is very  
pleasant to think I

have one friend who  
never forgets me -  
I am so glad Nettie's  
baby continues to  
improve - I am to stay  
with her when I go to  
Louisville next week -  
All the family send  
much love to your house-  
hold and best wishes  
for the New Year -

Affectionately yours  
Sammy B. Crittenden
