

Mie went down  
yesterday to join her for a  
week, so that I am all  
alone.

After a week of  
storms & little blizzards,  
we are having charming  
spring weather here,  
but I fear it is too good  
to last. I am glad to  
hear that your Ky Union  
is on a peaceful success.  
I hope you will realize  
all your expectations &  
more.

Kind regards to  
your family.

Sincerely yours  
B. N. Britton

Dear Major

You could hardly  
have done me more acceptable  
kindness than you did by  
sending me the job & green.  
I haven't enjoyed a dinner  
so much this winter as I  
did yesterday, when my  
only course was job & green,  
and I am living in delightful  
anticipation of another  
today. I thank you also  
for your Green book  
which I shall read at  
once. Mr Britton is  
still at Virginia Beach
