

P. O. ADDRESS, *Lexington, Ky.*

189

Hon James B Blaine,
Dear Sir;

The Rev J. L. Young of
Danville writes me that a party of
distinguished men returning from
that place will visit Ashland on the
11th of June and he expresses ~~that~~ the hope
that you may be of the party - Your
admiration for Mr. Linn, so ably and
generously expressed has endeared you
to the hearts of his friends and descendants,
and I can assure that a visit from
you would be most heartily appreciated
and that a cordial welcome awaits you
at the home of Henry Linn -
I am sincerely yours
