My Dear Mr McDowell:

This will introduce to you my friend  
Col. Geo E Waring Jr. Col. Waring needs no  
introduction from me - but I do not want him  
to visit Lexington & fail to meet you & Mrs. McDowell.

I will esteem myself fortunate in  
being the medium by which two such  
congenial spirits are brought together -

And am happy knowing that you will  
both bless me -

Very truly yours

John R Procter
