Dear Tom & Henry

We have just rec'd a letter from George & Williams, Real Estate Agents, No 7 South Clark St. Chicago - in course of which they say - "Just now we have a party wanting the lots in Cooke & Anderson's subdivision - please give us the lowest figures, at which these lots will be sold singly or altogether."

These men, I believe, are respectable persons - doing reputable business in their line - They have done some for us - but, I suppose, like all the rest at Chicago, they need watching -

I am very truly yours  
W. A. Preckmire
