Maj. H. C. McHowell,

Dear Sir,

Being interested in having "Rembrandt" (sired by King Rene) registered, on acct. of some of his colts which he own, and hearing from A. G. of this place that you had stated to him by letter that "Rembrandt" was eligible to registration, I write to request that you fill out the inclosed blank & return to ~~me~~. I enclose letter from Wallace's register co. which will show you what is needed.

An early reply will greatly oblige.

Respectfully Yours,

Camp Bros.
