I receive by "Clarks Home
Review" that you place "King Rene's"
© \$20.00 to insure. I write to ask
a few questions in regard to him.

Is he a pure sire get, & is he
sound? Please send catalogue. Would
it be safe to ship a mare without
a man to see to her. In what po-
sition would you place a mare to ship
from Chicago. What are your terms
for keeping mares.

I have a non standard Filly to
breed but she is a jewel & related
to "King Rene" as she is by Volunteer
Swigert. Her war by Swigert 650 & dam
by Vol. 55. Vol. Swigert used Price \$
2.23½ & is full brother to Motwood
with a very faint mark.

The dam of this Filly could not in 2.00
in the hands of a child & knew nothing
