Dear Sir,

I have a Yearling colt by King Penic that
Judges pronounce the Best in Kentucky
with the Exception of Bowdeman
Yearling = W. H. Wilson, of Guthriea & Mr
Shoemaker owner of Victor & Bismarck -
Say that he is the Best colt that King Penic
ever got - I don't know how fast a
Yearling ought to go but I think My
Colt can go as fast as any Yearling
in Kentucky - We never work him fast
but think he can go quarters in 40 to 43
seconds handy - And if he can trot quarters
in 43 seconds he can trot a mile out
