Mr M<sup>c</sup> Dowell

Dear Sir

My man will start for  
your place today will  
probably arrive Saturday.

I think I had better have him  
drive her as long as the weather  
is favorable then leave her  
with you until safe in foal for  
a colt to King Run.

If every thing does not go right  
with her + the man please notify  
me. I will send him directly to  
your farm and it may be that he and  
your man can work together <sup>to advantage</sup> while he  
is there then leave her in your care when  
he comes home Yours very Respt C. F. Sager
