Dear Sir:-

We recently wrote you to secure, if possible, a short sketch relating to the first horse owned by you, it being our intention to use same in our Christmas Number to be issued Dec. 18th. We regret that we have not hears from you, but trust you can favor us with the story at once, thus placing us under renewed obligations to you. Please do not fail to forward your photograph with the sketch.

Thanking you in advance for your kindness, we are,
Very truly yours,
