"Thursday Afternoon"

To the dearest, sweetest, truest,
noblest, grandest and bestest
man in all the world -

"My Husband"

Yes! you are all that and
then some more still
dearer - I love you more
every minute darling - I
didn't think I could possibly
love "yates" (How I love that name)
any more, than I did but I
see it continues to grow
stronger day by day - what
will I be if it keeps up
at this rapid rate? we
surely must be the most

lovin' pair in the whole wide
world - eh? we love each
other so sweetly so dearly,
don't we, huh? "Sweetheart"
I want to see you "so bad"
right now I don't know what
to do and you haven't been
gone "cept" seven hours but
Oh how long it does seem
and from now until

Sunday noon will be
"four years" to your "itty bitty"
baby wife who gets "so
lonely" so blue for her
boy she simply idolizes.
Try your best to bring
Dorothy with you I want
to see that - little - darling
so bad - I know I'll not
want to quit her up Monday

3.
morning - Gee hurr hurr
I had turned 'Cold' - A norther
is going on outside now
(Oh, you are cold!!!)
so fierce I hate to venture
out - but I'm a bit hungry
so will have to go get
myself a Club sandwich
and some coffee -
Please, dearest - eat a whole
lot - so you'll get real
fat - won't you?

Give Mother and Daddy
lots of love from their
little ragtime girl and
tell them "I'll see them."
"Thanksquing" and that I
can already pernell the
turkey cooker. Tell
Daddy John, I'm full up to the
very brims with songs
to sing for him and

4
can hardly wait to let them
out. Precious if it is
cold over there please don't
go out without your overcoat
O, your overcoat! wear the
grey one to work and hang
the black one to wear
on Sunday and times
you take your little girl
out in the evenings -
what say? I'd like to get
a glance at the "black
one" next Sunday if it
is cold - If you come
on S. & P. train Sunday
which one will it be? I want
to meet you. I'm looking
a little bit to hear Yelfair
call me up tomorrow
on his way in to Dallas.
Hope he will think to
call me ^{up} anyway.

5
who do you love dearest? I
wonder if I can guess who -
yes I can and you'll see
easily answer "who little Allen
loves?" "Ain't you precious boy?
I'm simply worshipping you that's
what I do - God bless you!
and watch over you while
little wife is away -
I won't mention the store
deal to Salfaire if I see
or talk to him - as I
think it best I don't, so
don't think for a second I
will - I was afraid you
would worry about it thinking
I'd mention something about
it - guess who I got a
long sweet letter from
this morning - I was
so surprised, I think it

so sweet of her to write me -
"Came" and she said she
missed her little married
pal so much. Said she
knew I was happy because
last night was Wednesday
night and hulibry was
to arrive. She thinks
we are the cutest couple
she ever knew or saw.
She said hell jerker
hello! She also said
Fannie was a little town
and when ^{she} wore that
black velvet dress and
big hat down sheet
very head turned around
and did some starring
which nearly started her
back to Ft. Worth - She's
having one more good
time.

I won't get to see ~~her~~ ^{again}
as she won't get back until
after Thanksgiving - You had
for I'm crazy about her.
We'll write her to visit
us in Waxibache (how do ^{some of these camp} you spell the thing?)
Darling boy ^{Hah!} I think you
smarter than I ever did
before now and you
will know how smart
Albee always thought you
since going up to my
Hubbys office and seeing
him work and looking
at his books he kept
so lovely when I think
you the brightest and
smartest boy in the
whole world yes!
I know the Daltons are

Don't call her
with her
to have a couple
like to have
out there used
who are out

glad to get you back - I believe
you are capable of holding
down any good position
I certainly do.

Must close now darling
and go down and eat
something. Hope to get
a long sweet letter tomorrow
morning and then

another fat one Saturday
morning - will call
at P.D. to see if mother
has decided to write
her "little Texams" - with
all my love and
then some good
many many kisses
and a light hug -

I'm your own true
devoted little rag doll
