Dear Mrs. Jenks

Jenks is lying on the couch complaining of his cold. Mother doctored him up the other night with hot lemonade and ginger but didn't seem to take effect. He says he wrote you a very important letter Saturday but as yet (Wednesday) has received no answer. (This is strictly his dictation as I know nothing about this letter). He received your Sunday's letter to day which seemed to give him much comfort. It seems that Jenks is having hard luck all round, as, after finally landing a position, he came home the second day and has had a terrible cold ever since.

I sympathize with him when he gets blue for his little girl in Atlanta. He speaks of you most all of the time and tells of how happy he would be if you were here now. Dickie and I do all we can to cheer him but it seems impossible to do so. He asked me to tell you not to worry as he would soon be himself again. I guess Jenks has forgotten to mention my name to you because you didn't speak of me in the letter you sent Dickie.

Sammy Van Loon.

Hell! sweetheart excuse me not writing but I'm too sick to do anything. I did think you would answer my letter I wrote you asking for help but since you didn't it's all right I'm

getting long nicely — expect to take
a position as cartoonist as soon as I'm
able — please continue to write me your
sweet letters as they are about the only
comfort I get. No I will never return
to Texas if I know anything about it
(think it over) Please don't go back on me
because I ask you to help me out for
I still cling to my word "I can't live
without you." Darling this little girl who was
kind enough to write you for me is
little Dickie's sister, 14 years old.

I'm too bad to write more so bye bye
darling — remember your own boy is waiting
for Oct. 1st. Lots of kisses and hugs.

I am as ever your own boy
Yours forever

8-9-11

My own darling boy,
I'm sorry I wrote
you as I did last about not
loving your little "Xas hee"
too I do believe you love me
just as you did before you went
to Chicago. I was just so
jealous and so blind over
the attention you'd been
paying the eldest daughter
until I could not keep from
writing you as I did - But
since receiving the darling
letter yesterday and another
dear one today (longer ones too)
why I feel you do think
the same of you lady wife

2

I know I'm selfish with you but
will always be that very way
just - can't keep "from being
jealous of very beautiful
Paul" my life my all.
Yes you are - well, you
little girl has been sick
ever since she's been here
but - I kept - it from you for
I didn't want you to worry
? you've been real sick
all yesterday and today -
Brother wanted to have a
doctor yesterday but - I wouldn't
let him - I have fever every
day - get up in the morning
feeling terrible and feel
truly all day - Now don't

you feel uneasy about me for
I'm lots better today - will go
to my supper tonight - I get
up and try to eat a little
breakfast - so I can have
strength to get up to P. O.
to get my letter from my
boy - I wait until mother
gets off through and I
ride on car to P. O. get letter
and come straight back to
home - Don't stay down a
minute hardly - have felt
terrible ever since I've
been here - tried to hard
to keep from letting mother
see how sick I was - But
he could tell - when he'd
take me out - at night I

4
would keep saying "brother
let's go home" I'm sleepy - Oh,
Yalés, he is grand to me and
is so attentive to you little
girl - He tells me just what
I must do and I love for him
to - He doesn't want me to
ever go down street alone
when I go in day time he
wants me to go with "old man"
here where we ^{go} boom or with
some of his ^{guys} friends who are
very scarce - He cares
absolutely nothing for the gals
and that - makes him more
attentive to his little sister
I he is so good and sweet
to me - where we take our
meals down the doors they

can't get over how devoted and
very attentive he is to me.
They have over him, and are
spoiling me too. Brother and I
sing together so nicely and
they enjoy an music very
much - He wants to take
me some where every
night. He seems to be so
proud of me (I don't see how he
can be though, do you?) and
wants to take me down
street and show me off.

He loves every dress I put
on and says Sweet, (my
nick name from him) you
look so darling tonight
and he says it very bright

It is so good to me. But I
can't be happy only with Perry
I want only to be with
him - I'll give all up
for Yale's no matter
what happens. Brother
never will get over Annie's
treatment - Believe me "she
is trying hard" to make up
but I'm afraid he'll never
but I kinder hope they will
for she would make him
a good wife - I know how
wrong she has done me and
Cotton thinks she has treated
me terrible and is against
her there too but still I
love her and hope they'll
make up - For I'll hang

him all alone and he'll
be so blue = I've got to
scheme up how I'll run away
from Dallas when I leave
there - my trunk will
come straight from
Atlanta to Chicago yes!
and I'll take a dress and
coat with me to Dallas
Brother is going with me
and maybe he and
Auntie will make up
I'll leave when nobody
'cept Cecil will know it -
I'll put him next to
help me off to the depot
I'll get away you bet -
I just read in Atlanta
paper where and a
big fire happened in Dallas
the whole of "ast ball paper" ^{was}

Store all of "Konfman Myzes"
big furniture store and
paper mills" store (all 3)
were totally destroyed by
fire Monday night - awful
was it - a big loss
to Elm street - Too bad.

Well if hmm there was a
cute original piece of
darling humanity, it is "my
Denny Boy" shall letter
I received yesterday with
on "Musical wells" renewer
was too great you can't
be beat - I laughed my
head off when I was so
sick I could hardly sit
up - I opened it in car
coming home from 10,

and a lady across me in
car saw. I and nearly
die laughing too - a good "get
up" you are a cake -
Don't let your mother or
selfish friend out you are
there - Don't write any
more. Just let C keep you
posted as to this health
in the quiet. Can you beat
the enclosed letter - C called
up Annie and wanted to
speak to me and when
found me gone asked
for my address so am
sending dear little note
to "J. Y." as he calls you.
That boy loves you next
to "Georgie"; He is a dear
boy - I'll send him another

Card enclosed in envelope and
sent other ~~one~~ to him -
Do you object - sweetheart?
Sweet-heart you must hurry
and get some work for your
little wife will soon be
up there and it will be
cold weather and you'll

have to keep her warm.
C? Try hard precious of
"you'll succeed, in getting
some kind of honest work
for to start off with - C?
It

I pray for my lay every
night - God bless you and
protect you is my
wish all the day and night.
Please be true to your self

litty" blue handsome wife so far
from you. I know you will
be - wait - you. I have all
the confidence in the world
in my boy. let me always
hang - wait you dearest?
Annie has written me three
of the bluest letters of how
she misses me .. and she
addresses them to brother
and puts in inside envelope
to "Please give to Alice"
and please Yours hurry up
"bring" her back to me
or I shall die of love -
some news - she misses
me, lots I do believe -
she hates to how she did -

Sudie has written me two
and such a dear letter - I
wrote Mother Jenkins Monday
a long letter also Mrs Allright
and Mattie Williams -
am crazy to hear from
them - Sent them cards
all the way from Dallas -
I can't understand you not
hearing from me in 9 days
since when I wrote day I left
Dallas and wrote a long
letter on train coming
besides sent two cards
on my way here - so I
am mad about - you
not hearing from me -
and now you should get a
letter coming day from

my. Am "kicked to death" over
you wanting to work at some-
thing which will not keep you
from your little wife at right
for I would die - I'm delighted
over you changing your work-
Denny, I can't get a private
box now except the larger
Cuzi ones size which cost
too much. all small ones are
taken so continue to send
to Gen. Delivery. those quills
don't need to mail your letters
to me so you mail you
self or I'll be missing
my mail as well as
you are missing yours -
I mean it - Look for
a daily letter from me
and when you don't get

It or card you may rest
assumed I wrote just the
same. Don't be uneasy about
me for I'll soon feel my
well self again - I'll
fight against being sick
I want to look good
when I get to my boy.
Write me every day and
long letters - with all
my love and many
kisses - I am -

Keep you blue sick come
all the locked
sure time baby wife -

Please take

good care of yourself.
Be good too.

My Adorable Queen:-

The last delivery has just passed and little Yates failed to hear from Atlanta today, Surely the mail was delayed in some way for I believe you write me every day as you said you would.

But darling there's no need of being blue over that, Chances are I'll get two letters from you tomorrow instead of one.

2

There is lots of things here to amuse but take it from me if you are lonesome for some one you love the attractions have no effect.

Pay particular attention to the song I'm sending you entitled "Picture a simple life" Its my favourite of the bunch "Sets Pretend" is also a cute one.

3

Sweetheart I received
a card from Anna and
Jellfair today, they had
just dined at the Southland
and seemed to be having
a pretty gay time, Jellfair
said he had just received
a nice card from Allie
but didnt tell me what
you had to say on it.

Dont spose thats any of
my business though,
he ask me if I wouldnt
please write mamma
but may may Allie
doesnt want me to
The next time they
hear from me it will

4

be a post card from
Gov. Angles, I dreamt
so much about Tellan
last night that I was
realy glad to hear from
him, Anna ask me
to send her one of
my pictures but there's
not a chance.

By this time they
have all received cards
from me stating that
Im on my way to Cali.
so that will be the
last time Ill hear
from them for quite
a while.

5

No angel I dont care
to hear from anyone
except dear little Alvie.

Darling your letters do
me so much good
I worship every line.

Just think my darling
what a long time it is
untill October. and its
been an awfull long time
since Ive seen my dear
little sweetheart too hasn't
it Alvie?

I have two of your
pictures framed now
and my eyes seem trained
to turn toward them
every time I come in

86

my room.

Daddy Van had company last night so mother and myself went over to the theatre just three blocks from here, Well say darling I was never so surprised in my life, its a larger theatre than the opera house in Dallas can you beat that and two miles from town. There is at least a dozen theatres just as large in walking distance and Washington Park is only six blocks from us. See what a grand place Chicago is.

7.
Darling I broke the
other pen, will have to
use this stub.

Mother Van drank
some real cold beer thro
afternoon and chilled her
stomach, she seems
to be pretty sick tonight.

Im begining to get blue
dont know why unless
its because I didnt get
any mail today, I can
hardly keep from crying
Gee but isnt it grand
to have some one near
you who can cheer you
But thats something
that poor little me

8
hasnt got. Oh sweet
Aemie if you could
only be by my side
now. Gee! I love you
more now than I ever
did.

Have mailed the
manager of Imperial
theatre just around the
corner a letter asking
for a job. It opens
Sunday with the "Goddess
of Liberty" a company of
75 people.

Say little sweetheart
let me thank you
again for the mottoes
you gave me while in

9

Dear old Dallas. They
have certainly helped
this little Chap greatly
you are such a
thoughtfull quili when
it comes to doing good
for your boy. Oh how
proud I would be if
I could only call you
my own right now.
But I must not ^{be} too
anxious. I'll just have
patients and keep a
going, as one of your
mottos say.

Darling Gil if there

10

is anyone in this
wide wide world who
can come up with you
in any way shape or
form I'd surely love
to see her. But there's
not a chance, no one
could compare with
sweet little Aline.

Yes I mean every
word of it. Bless your
darling heart.

Cecil writes that
he doesn't think that

11

any two boys are
better mated than he
and I are, he thinks
he couldn't find a
sweeter girl than Geogie
and I know I couldn't
find a sweeter one
than Aline Fletcher.

You are perfect in
my eyes sweet one.

Oh what supreme
happiness if you marry
^{me} on the day we have
set.

12

My letter is not very long but there's a whole lot said and meant in it so that helps some.

Be true to your little boy who is so far away from the only one he loves and remember I'm expecting a letter every day

Yours always
Gates

My own dear, precious boy :-

How happy I
would be if only I could have
you sitting on bed beside me
rubbing my "poor aching head"
I know I would get well at once.
I have been bluer this week
because I've been so awfully
sick. Darling I wouldn't
tell you ^{how} very sick I was.
I have had fever every day -
But - your little "rag doll"
will be alright soon. So
don't feel uneasy about me.
Sweetheart if I ever wanted
you it was last night
when I was so sick for you
are the one person of all
the world who can

2.

Cheer me up and make me
well when I'm sick - Darling
you are all in all to me
Do you realize you are
my very soul my life
my all? well you are!
and were you to stop loving
me my life would be abso-
lutely blank and I would not
care to live - I pray every
night nothing will come up
to mar my divorce for
it would nearly kill me ~~not~~ to
be able to get it in October
But I feel God is going to be
good and help me through
it also our marriage in
October - I'm hoping all of it
can happen in September
next month - are you hoping
the same? Goodness, how

I want to see you! I don't
 see to save my soul how I
 am going to wait until Oct.
 It is killing me. I want my
 Denny boy I must have
 him - I wish I were in the
 position to come up to see
 you tomorrow for I do want
 to see Yale's "sho head" -
 Hones' I'm nearly dead - Sick
 and blue with it is about
 to put me through - Dear
 I believe you want to see
 your "baby girl" real bad
 too - Now don't you sweet
 boy? God bless you!
 How I long you, long you,
 long you, Dail - you reckon
long you too much?
 Solly loves you too much?
 what do you think about it?

4.

I singly worship you - In
all my dreams I dream of
you - Have been having
some bad dreams about the
Chicago girls and my husband
Yes you are my true
darling husband and always
will be - you sweet heart?

I sent Annie a souvenir
spoon of Atlanta this morning
It was a beauty had the gold
bowl and long handle (large
teaspoon size) with the music
and one line of "Dixie"
carved on it and under part
of handle was a hair and
cotton blossoms carved -
Have only gotten three letters
from her - She sent two of
them addressed to brother

with inside envelope written
to him "to please give letter
to Alleen and to be sure and
come with her in October
and how she missed me.
She says she feels she has
hurried me and really feels
she does miss me and
writes the bluest letters you
ever read and she seems
so sorry she treated me as
she did. Brother has stuck
by me loyally and he doesn't
think one thing about us
as he doesn't know we write
and thinks you in California
Send a card sealed in
an envelope to Post-office
at Los Angeles and ask
him to mail it from
there please and let
it just be a common card

b.

Some thing like enclosed
How about this one and write
you over long head and write

also put just this on other

Mr. J. J. Fletcher

Yes put Mrs. A. Dukes ~~and~~ ^{not}

I like this country Los Angeles
fine - and love my work - J. J.

7.

Don't write anything else
not another line - and
sign only - Y. J. W. I
as Supt. will see and he
knows me and I don't mind
the Y. J. as he will think
my letter is law or cog.
Now please do this
and use this card for
the card up now while you
think of it and write just
what I wrote to put on
it - please do this dear.
Put your stamp. No I'll
put it and you mail it in

at Los Angeles and enclose
a note asking him to
mail it - Don't fail to do it
at once if not sooner.

8.

Brother is spoiling me to
death - Oh he is so good to
me. Without a doubt I know
he is the best brother on earth
to his sister - Atlanta now
has a place for bathing and
it is the fad to get up at
five o'clock and go out to
the "Lake" "Piedmont Lake"
It is swell out there -
My the thing of automobiles
and men and boys come
and the girls and boys come
back in the auto's in their
wet bath suits which will
kill them later on and
the street cars every morning
are crowded with girls
with their hair bangles
down and long coats on
over their wet suits -
Oh, the crowds who soaf

I went out with Mother this afternoon at six and watched him go in. I kept his ring and other jewelry - then as I felt better he might be would take me down to some picture show - they have "pipe organs" in ones here also orchestra's and the best songs - But I get blue every time I go in my wish to be in me with Denny in Chicago "my new home" Keep trying until you find work dearest - If at first you don't succeed - try again tel. that be your motto while you are looking at for work dearest - Bless your heart - how I want to be up there with you right now -

10.

It is O, so hard to be separated
from the one you love best
and most - in all the world
In other words only person
I really love - I'll al-
ways be foolish over you
too until death parts
us - Darling boy, don't
forget to say your prayers
and always ask God to help
us win out and help you
to find good work which
will keep you with your
little wife at night - won't
we eat me another up?
I bet I disfigure you
for life by biting your
face all over loving
you. I be so over joyed
when I see you I know
I'll "cry" while then I know
I'll laugh

ambly - Warden of Derry
 will be glad to see his
 "only sweet-heart" - I never
 want to leave you or let
 you leave me one day
 after we are married - I
 want you forever and a
 day - I'll never miss you
 never - I'll always love
 you like a sweet-heart - I
 am going to try so hard to
 make you the happiest man
 in all the world - hope I'll
 succeed - I feel I will with
 your help and God's -
 He has been a mighty good
 God to you little girl
 and I am so thankful
 for what he has done and
 is doing for me - you
 love me and nobody

'cept me, don't you dearest?
 Don't let any yankee girl
 take your heart from my
 "please"?? Be true to me
 if it kills you for I will
 be to "my Deary". I
 keep the two motto cards you
 sent - my right on my
dresser before me and
 have forty lover pictures of
 you right where I can
 look at you any time
 & so in my trunk. Have
 the whole way decorated
 with pictures of you and me
 of you and I together - a
 regular doll house in
 way of my big "Noah's Ark"
 as ann used to call
 it. But I could if keep

but one of ¹³ you on my
dinner - Brother
and I got in about ming-
thly and now its is 10-16'
so I had better go to bed
as I'm rather tired from
going about too much today
walked to Post Office early
this a.m. for your letter
then to "Piedmont Lake" - then
to dinner and on down
street to some picnic
house. and it was too much
for a sick child so
brother begged me to go
right off to bed as he
could see I felt badly.
But I had to throw my
feelings out to my dear
boy before going to bed.
I will now dream

of you - So "nightie night"
 with all my love
 and many kisses from
 "yearning" lips (lips all
 yours) Yes, give all
 yours and "for keeps"
 write me every day -
 Believe me I carried your
 letter I wrote you this after
 noon also card to Mr + Mrs
 Van Loan in my pocket-book
 all down street to night and
 could it get a single change
 to drop them in mail box
 for brother would have
 seen both - So will
 mail them also this
 letter at some time -
 tomorrow - a big good-
 night kiss - I'm gone

15-

to Dreamland to dream
of my boy so far
away from his
lovely blue little
sick girl -

My dear little girl:-

Your
sweet letter is here
and I was indeed
glad to hear from
my girlie.

Goodness but you
sure did write a long
one but that's just
the kind I like for
your letters are certainly
interesting.

I can picture
the expression on
your face when you
open this letter
Some classy station
ery eh! This is a
joke Mr Van dared
me to do.

Darling I havent
written mamma
a letter of any kind
and they think Im
in California by now
I spose.

Cecil is about the
only one out side
of little Alaine that
I write, he is such
a dear boy I have
to write him often
there is no doubt
about him getting
Georgie for they are
going to get married
on the 21. and not
let the folks know
about it for some
time.

No darling I
havent gone to every
thing there is to
go to for it would
take me at least

about it for some
time.

My darling I
haven't gone to every
thing there is to
go to for it would
take me at least
one year to visit
even all the theatres
in Chicago.

Mr. Gondron can't
do anything for me
in Chicago and
I'm not going way
up in Canada
just to get a theatre
job I'm going to
try to get some
kind of work that
I won't have to
work at nights, don't
you think that
best sweetheart.

The girls are
killing themselves
laughing at my
stationery.

If you can
read this writing
you are going some.

It's Sunday
and there's no mail
delivered - See what
will I do?

Your post card
and letter came at
the same time
and mother Van
gave me the thin
one first but when
I began to look
gloomy she handed
out the 40 pages.

Darling you are
such a sweet girl
to write

one first but
I began to look
gloomy she handed
out the 40 pages.

Darling you are
such a sweet girl
to write me so
many pages and
to think I'm only
answering on one
page. La! La!

Say sweetheart
you shouldn't have
accused me of
dancing on the boat
when I told you I
didn't. No not for
mine, I want Aline
to dance with.

Yes this is a
great place but I
haven't begun to
get fat so far, I suppose
I'll have to get
used to the climate
first.

Darling I'll send
you some music
the first time I go
down to the Music
Publishers, it sells
for 10 cents the copy
and is sung over
by a quartette before
you buy.

Was so dear of
you to say you
would help me when
you come. Bless
your little heart
you are the sweetest
girl in existence.

Have your little
picture in a frame
in my house, I
I look at it more
than I do any other
picture.

Your little heart
you are the sweetest
girl in existence.

Have your little
picture in a frame
on my dresser, ^{of}
I look at it more
than I do any other
picture, and it makes
me wish for you all
the more. Gee whizz
Aline I wish you
knew how wild I
am about you!

The two girls
Mr. Van and myself
all framed up
a little a. n. t. t.
tonight and made
some real music.

Dickie can play
anything you put
before her, this is
the one who is so
crazy about me, she
says if she were only
a little bit older
she would sure
cop Mr. Jenks. You
would like her she
is awfully cute.

Darling I sent
mother a card
stating that I
was leaving for Cal.
and that I would
drop her a card
when I arrived, I'm
going to send a
letter to the post
master asking him
to kindly mail
the enclosed cards
for me. Surely he
will.

Dearest I'll do

the enclosed cards
for me. Surely he
will.

Dearest I'll do
as you say about
my friend when he
comes to Atlanta.
I did think of
having him phone
you a word or
two for me but
won't mention your
name to him
since you don't
want me to. He
is the one who was
my partner in the
tailoring business
and is coming to
Atlanta ^{to} put up
a shop, will be
under name of
Dundee Woolen
Mills.

Darling I find
that clothing is
not quite as cheap
here as it was in
St. Louis although
it's cheap enough.

10 minutes
intermission for
you to take
another laugh
over my stationery.

My pencil is
about to wear
(ware) out so I
must close in
as much of the
fact that I have
no knife to
