

Minutes of the Meeting of the Board of Trustees of the University of Kentucky, Tuesday, May 2, 1989.

The Board of Trustees of the University of Kentucky met at 1 p.m. Lexington time on Tuesday, May 2, 1989 in the Board Room on the 18th floor of the Patterson Office Tower on the Lexington Campus.

A. Meeting Opened

Mr. Foster Ockerman, Sr., Chairman, called the meeting to order at 1:00 p.m., and the invocation was pronounced by Professor Mary Sue Coleman.

B. Roll Call

The following members of the Board of Trustees answered the call of the roll: Mr. Foster Ockerman, Sr. (Chairman), Mr. Ted B. Bates, Professor Raymond F. Betts, Governor Albert B. Chandler, Professor Mary Sue Coleman, Professor David R. Driscoll, Jr., Mr. Tracy Farmer, Mr. Lawrence E. Forgy, Jr., Senator Walter D. Huddleston, Dr. Nicholas J. Pisacano, Mr. James Rose, Mr. Jim Rose, Chief Justice Robert F. Stephens, Mr. Jerome A. Stricker, Mr. William B. Sturgill, Judge Julia K. Tackett, Mr. Billy B. Wilcoxson, and Judge Henry R. Wilhoit, Jr. Absent from the meeting were Mr. William E. Burnett, Jr. and Mrs. Edythe Jones Hayes. The University administration was represented by President David P. Roselle; Chancellors Art Gallaher and Charles T. Wethington; Vice Presidents Edward A. Carter, Wimberly Royster and Eugene R. Williams; Dr. Thomas Samuel, Executive Vice Chancellor for the Medical Center, and Mr. John C. Darsie, General Counsel.

C. Minutes Approved

Mr. Ockerman stated that the Minutes of April 4, 1989 Board of Trustees meeting had been distributed and asked for any corrections or additions. The Minutes were approved as written.

D. Meeting Dates Established

Mr. Ockerman called attention to the schedule of meetings of the Board of Trustees as established for fiscal year 1989-90 (see copy at the end of the Minutes) and requested that the members mark their calendars accordingly.

E. Committee Appointment

Mr. Ockerman announced that he had appointed Chief Justice Robert Stephens as a member of the Investment Committee and thanked him for his willingness to serve on the Committee.

F. President's Report to the Trustees (PR 1)

Before beginning his report, President Roselle reminded the Board that Commencement was again moved to Sunday, May 7, in order to avoid any conflict with the Kentucky Derby which would be on Saturday, May 6. He expressed hopes that the members would be able to participate in Commencement.

President Roselle called attention to the following items in his report:

1. The new campus of Owensboro Community College was dedicated in ceremonies at the college on April 20. Six buildings were constructed on the 104-acre campus: Administration, Science, Humanities, Technical Education, Learning Resources and Maintenance. The total cost of the project was \$12.5 million.
2. The new Technical Learning Resource building at Hazard Community College was dedicated on April 21. Funding for the project was \$2.9 million.
3. The National Alumni Association selected five persons to receive its 1989 Great Teacher Awards: Lysbeth Barnett, Louise Graham, Sara Penry, Richard Schwartz, and Angene Wilson.
4. Kentucky businesses sold the U.S. government about \$7 million worth of products and services during the past 18 months with the assistance of the Kentucky Procurement Assistance Program which is headquartered at UK.
5. A new fellowship program that will provide up to \$7,000 to qualified minority graduate and professional students has been created in honor of Lyman T. Johnson of Louisville, who in 1949 became the first black student at UK and devoted much of his life to promoting civil rights in Kentucky. Mr. Johnson is the author of a newly published book, and the University is very proud to count him among its alumni.

G. Personnel Actions (PR 2) and Supplemental Personnel Actions (PR 2A)

President Roselle stated that the personnel actions in PR 2 were routine. He referred to PR 2A and called attention to the appointment of Vincent A. DiMartino who was being appointed an Alumni Professor effective July 1, 1989 through June 30, 1994. The Alumni Professor appointment carries a \$5,000 annual stipend and is funded by undesignated contributions by alumni of the University. President Roselle reviewed briefly some of the highlights of Professor DiMartino's career and stated that he is a distinguished member of the faculty. He asked that PR 2 and PR 2A be approved. Dr. Pisacano so moved. His motion was seconded by Mr. Stricker and carried. (See PR 2 and PR 2A at the end of the Minutes.)

H. Amendment to the Governing Regulations (PR 3A)

President Roselle recommended that the proposed amendment to the Governing Regulations in PR 3A, which was received by the Board of Trustees at its April 4, 1989 meeting be approved. Judge Stephens so moved. His motion was seconded by Mr. Bates and carried. (See PR 3A at the end of the Minutes.)

I. Appointment of Chancellor for the Lexington Campus (PR 3B)

President Roselle recommended that the Board approve the appointment of Dr. Robert Hemenway as Chancellor for the Lexington Campus effective July 1, 1989. He reviewed briefly the credentials and experience of Dr. Hemenway and heartily recommended the appointment. The motion, which was made by Mr. Sturgill and seconded by Mr. Wilcoxson, was voted on and passed. (See PR 3B at the end of the Minutes.)

President Roselle noted that he had discussed with Dr. Hemenway his attendance at the Board meeting. For various reasons, they concluded that it would be better for him to be present on Commencement day, and the Board would have the opportunity throughout Commencement day for making his acquaintance.

J. Candidates for Degree--Community College System (PR 4A)

With President Roselle so recommending, Mr. Forgy moved that the degrees specified in PR 4A be awarded to the persons named, upon certification that the requirements for those degrees have been satisfactorily completed. The motion was seconded by Professor Betts and passed without dissent. (See PR 4A at the end of the Minutes.)

K. Candidates for Degrees--Lexington Campus and Medical Center (PR 5A)

President Roselle recommended and Mr. Bates moved that the list of candidates for degrees in the Lexington Campus and Medical Center sectors as recommended in PR 5A be approved. The motion was seconded by Mr. Farmer and carried. (See PR 5A at the end of the Minutes.)

L. Appointment to University of Kentucky/Business Partnership Foundation (PR 5B)

President Roselle recommended that approval be given to the appointment of Clifford R. Borland to membership on the Board of Directors of the University of Kentucky/Business Partnership Foundation for a term beginning with the fall 1989 meeting and ending with the spring 1993 meeting. Mr. Stricker so moved. The motion was seconded by Mr. Jim Rose and passed. (See PR 5B at the end of the Minutes.)

Mr. Stricker stated that Mr. Borland was an outstanding individual and had received an award from Beta Gamma Sigma, UK Chapter, for the outstanding businessman of the year in Kentucky.

President Roselle called attention to the Kentucky Small Business Development Center Program Review brochure included in the handout. He stated that the Center presents the opportunity for small businesses to have consultants. The University's program was reviewed during the past year and the reviewers were unequivocal in their comments -- the Small Business Development Center is the best in the country.

Mr. Forgy noted that the father of the legislation that created the small business centers is a member of the Board, Senator Huddleston. Senator Huddleston was the original sponsor of the act.

M. Appointment of Dean of the Graduate School (PR 8A)

President Roselle called upon Dr. Royster to present PR 8A. Dr. Royster reminded the Board of their action that authorized the reorganization of Research and Graduate Studies. As a result of the Board's action, a separate position for Dean of the Graduate School was formed, and a national search began last fall. The search committee received approximately 60 applications for the position, and after careful review of the applications, the Committee concluded that Dr. Reedy, who has been serving as acting dean, had the best qualifications in terms of scholastic activity and administrative experience. He reviewed Dr. Reedy's credentials and stated that it was an honor to present Dr. Reedy and recommend him as Dean of the Graduate School. On motion by Dr. Pisacano, seconded by Professor Betts and carried, PR 8A was approved. Dr. Reedy was asked to stand and be recognized, following which he was given a round of applause. (See PR 8A at the end of the Minutes.)

N. University of Kentucky Tobacco and Health Research Foundation, Incorporated. (PR 8B)

President Roselle recommended that the Board approve the Articles of Incorporation of the University of Kentucky Tobacco and Health Research Foundation, Incorporated; further, that the Board of Trustees authorize gifts in support of the research program of the Tobacco and Health Research Institute be deposited in the University of Kentucky Research Foundation as fiscal agent for the University of Kentucky Tobacco and Health Research Foundation, Incorporated. He stated that there are private fundraising activities conducted on behalf of the University of Kentucky's Tobacco and Health Research Institute. This action will locate those activities in the context of a Foundation as far as fiscal agent for the funds gathered and would be deposited in the Foundation of the University. The motion, made by Mr. Sturgill and seconded by Mr. Forgy, carried. (See PR 8B at the end of the Minutes.)

O. Acceptance of Interim Financial Report for the University of Kentucky for the Nine Months Ended March 31, 1989 (FCR 1)

Mr. Forgy, Chairman of the Finance Committee, stated that FCR 1 is the Interim Financial Report and moved its adoption. The motion was seconded by Senator Huddleston and unanimously carried. (See FCR 1 at the end of the Minutes.)

P. Designation of Depository Banks (FCR 2)

Mr. Forgy stated that FCR 2 is the designation of certain depository banks and moved its adoption. The motion was seconded by Chief Justice Stephens and passed. (See FCR 2 at the end of the Minutes.)

Q. Report of Leases (FCR 3)

On motion made by Mr. Forgy, seconded by Senator Huddleston and passed, approval was given to the Report of Leases in FCR 3. (See FCR 3 at the end of the Minutes.)

R. Room and Board Rates 1989-90 School Year (FCR 4)

Mr. Forgy reported that the increase in room and board rates for University Housing for 1989-90 is an approximately 7%. He reported that Dr. Jack Blanton and Mr. Allen Rieman provided a detailed presentation at the Finance Committee, and he moved its adoption. The motion was seconded by Mr. Jim Rose and carried. (See FCR 4 at the end of the Minutes.)

S. 1988-89 Budget Revisions (FCR 5)

Mr. Forgy stated that the budget revisions were reviewed with Mr. Edward A. Carter in the Finance Committee; however, Mr. Carter may want to indicate to the Board the nature of the document. He then moved its adoption and Mr. Sturgill seconded the motion. Mr. Ockerman called upon Mr. Carter for his comments.

Mr. Carter reported that the routine budget revisions are brought to the Board two to three times a year for updating purposes. He reviewed the following items:

1. Engineering Enhancement - This state appropriation is a result of private fundraising -- a \$500,000 state appropriation increase coming to the College of Engineering through the Council on Higher Education. The College is able to get the state appropriation because it raised \$500,000 of private money, and this money will greatly enhance the equipment inventory of the College of Engineering.
2. Program Support Items - Fees are generated and expenses incurred based on the volume of activities, particularly in the Continuing Education and University Extension programs.
3. Restricted Funds - These funds deal with private gifts to the University.
4. Auxiliary Services - These are campus activities that are self-supporting -- generating revenue and expending those revenues in support of the program.

The budget revisions were unanimously approved. (See FCR 5 at the end of the Minutes.)

T. Report of Investments (ICR 1)

Mr. Stricker, Chairman of the Investment Committee, reported that the Investment Committee met and reviewed ICR 1. He stated that the report is routine and moved that it be adopted. The motion was seconded by Mr. Jim Rose and carried. (See ICR 1 at the end of the Minutes.)

U. Amendment of Code of Student Conduct (SCCR 1)

Judge Tackett, Chairman of the Student Code Committee, reported that the amendments were recommended by the Student-Faculty-Administration Student Code Committee. The amendments were reviewed by the President's Office and the Legal Counsel. They had also been circulated to the Board's Student Code Committee and were coming to the Board without objection. She, therefore, moved that the Board approve the recommended changes in the Code of Student Conduct effective August 16, 1989. Mr. James Rose seconded the motion and it passed. (See SCCR 1 at the end of the Minutes.)

V. Meeting Adjourned

There being no further business to come before the Board, the Chairman adjourned the meeting at 1:30 p.m.

Respectfully submitted,

John C. Darsie
Assistant Secretary
Board of Trustees

Members, Board of Trustees:

AMENDMENT TO THE GOVERNING REGULATIONS

Recommendation: that the following amendment to the Governing Regulations of the University of Kentucky, which was received by the Board of Trustees for preliminary consideration on April 4, 1989, be approved.

(Note: Proposed addition is underlined; proposed deletion is bracketed.)

Amendment - Change Part X.C.12 to read:

12. Employee Disability Program

[After the completion of one year of employment at the University, regular full-time faculty and staff other than those covered by Civil Service are covered by the Employee Disability Program. This program provides income protection through the Long Term Disability Plan and, in some cases, supplemental benefits by the University. The University pays the full cost of this program.]

Regular full-time faculty and staff, other than those covered by Civil Service or the Federal Employee Retirement System, are covered by the Long Term Disability Program. Coverage commences after the completion of one year of employment unless the eligible employee, at the time of hire, satisfies the exception condition as outlined in the plan document in which case there is immediate coverage. This program provides income protection through a Long Term Disability Plan and, in some cases, supplemental benefits by the University. The University pays the full cost of this program.

Background: This amendment provides for immediate coverage, rather than after one year, if an eligible employee at the time of hire satisfies the exception condition as outlined in the Long Term Disability Plan. The basis for the exception condition is that the new employee had comparable disability coverage through another institution or agency prior to employment at the University of Kentucky. This change makes the policy on participation in the Long Term Disability Plan parallel to the policy on participation in the University of Kentucky Retirement Plan. Such a policy change is viewed as necessary to be competitive when recruiting desired faculty and administrative/professional staff. Also, this part of the Governing

Regulations has been updated to indicate that employees covered by the Federal Employee Retirement System along with those covered by Civil Service are excluded from coverage by the University's Long Term Disability Plan. The cost implications associated with this change are viewed as being minimal.

Members, Board of Trustees:

CANDIDATES FOR DEGREES
LEXINGTON CAMPUS AND MEDICAL CENTER

Recommendation: that the President be authorized to confer upon each individual whose name appears on the attached lists the degree to which he or she is entitled upon certification by the University Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate.

Background: Since the Commencement exercises are held immediately following completion of examinations, it is not possible for the University Registrar to certify satisfactory completion of requirements prior to Commencement exercises for those candidates who completed their requirements in May. The candidates who completed their requirements in August 1988 and December 1988 were approved by the Board of Trustees at earlier meetings.

Action taken: Approved Disapproved _____ Other _____

Members, Board of Trustees:

AMENDMENT OF CODE OF STUDENT CONDUCT

Recommendation: that the Board of Trustees approve the following changes in the Code of Student Conduct, effective August 16, 1989: the suggested revisions pertain to Article I - the University Judicial System and reflect changes in and clarify responsibilities for disciplinary actions.

Background: Under Article VII - Amendment, only the Board of Trustees may amend the Code of Student Conduct. Responsibility for proposing revisions to the Code of Student Conduct is delegated to a committee consisting of students, faculty, and administrators. The committee accepts and reviews recommendations from students, faculty, and administrators regarding revisions and forwards them to the President for presentation to the Board of Trustees for its consideration.

As in past years, the committee solicited proposals for Code revision from members of the University community via The Kernel and through a memorandum sent to each college dean. Proposals were initiated both outside and within the committee and discussed at length. The committee then endorsed and submitted the proposals to the President for his consideration and forwarding to the Board of Trustees.

The proposed revisions were approved by the President, and they were forwarded to the Board of Trustees Student Code Committee, which concurs and recommends approval by the Board.
