

Lexington 11 April 1861

Dear Sir

I sent word by Mr. Stone  
to Mr. Quincy some days since to  
enclose to me a refunding bond filled  
up for my distributive share of  
the Shryock Assets. Also a receipt  
for me to sign. As I understood  
the funds are ready for distribu-  
tion, I had wished to have the  
necessary vouchers signed &  
forwarded to some friend  
so that I might get my pro-  
portion. Will you be so kind  
as to ascertain if the money is ready  
for distribution. And if so, what is  
necessary for me to sign to get it.  
to enclose to me such an instru-  
ment or instruments, <sup>to be signed by me</sup> as will enable  
me to receive it. Your attention  
to this will confer a favor  
on yours truly  
H. Fort Hill
