

June 31st 1868

Mr Thomas Coger Sir

I wish you to attend
to some business for me if it can be done.
It is this I appointed James B Walker my agent
to sell a lot in Moscow hickman county and
to collect a note on James Drysdale in the year 1860.
He sold the lot 1860 which he states in his letter filed
among the papers. He died in the fall 1862. And
owing to the war and derangements of the mail
I could not hear from him, and when I did
here the estate was settle up and my claim
debarred by limitation. Now I wish you to have
this claim renewed by a special act if it can
be done or any other way that it can be done
so let me know if any thing can be done

Yours truly

James C. Irvine
