

they did not get the premium. The
Lions of Shalton were out Thursday night
I stayed with Ella and caught
a terrible cold by going out to see
them. There was a supper given to
them at the Goddard house and
we got to see them very easily. Pa
has not sent the money for my
dress yet but will send it in a
few days. Tell Uncle Richard that
Aunt Liz envies Miss Harriet Ingham
very much. Ma told me to tell
you that Mrs Blatterman's health
is much better than when you
were here. I received a letter
from Annie McElroy to night
she seems very well contented.

We had two very fine sermons
from Mr Maden on Sunday (so
they all say) I was not well enough
to attend church and are all very
much pleased with him. Mr Pogue
is at Mrs Pierce's on a visit, I believe

I have told you all the news
except what Aunt Lizzie is telling
you in hers. Give my love to Annie
& Mary Ellen and tell them they
must write to me very soon as
they have been owing me one ever
since last Christmas. Herman says
he wishes he could write to Aunt Mary.
Please write me a long letter very
soon. Love to all my friends.

From your affectionate niece
Phebe Brodwick.
