Dear Sister

I have concluded to come and see you next week the weather is so open and pleasant and I shall need to be here the latter part of Feb and March to work. I expect my wife back in May as I have arranged to get my house back, my tenant will move back to his own house in the Point. My affairs here need my presence so much and I feel so much better satisfied living here that I am glad that I have been enabled without sacrifice to consummate this arrangement. I shall visit Marysville after I come back from Louisville.

I have just received my weekly
