Dear Mother:

Annie says I must write you "she is no better" I think however that she is a little better

Dr Morrison also thinks she may be well next week. The Rheumatism has almost entirely left her feet ankles knees hips and spine & gone into her fingers wrists ~~ankles~~ elbows and very bad in left shoulder

I hope she will be well again next week,

She is very nervous & excitable Albert & I are both well

Mrs Smith & Mrs Snyder are with her this afternoon
