Dear Aunt-Mary.

We have decided to buy the velvet cloaks like the girls, and if you will be so kind as to purchase for us we will be much obliged to you, please do it - at your own convenience. We find that the velvet cloaks will not cost any more than cloth, and are more dressy and will probably last longer.

If you can, get us a price like you bought at 5.00 please send $8\frac{1}{8}$ yds and with enough for the 8 yds as the $\frac{1}{8}$ is for an extra collar, also 1 doz buttons like yours at $1\frac{1}{4}$ or if you think
