

Mayville June 18th

My Dear Aunt Mary.

I received your letter not long since and thought I would write you a few lines to night, I am staying with Phebe all night and she is writing to Ella Taylor while I write to you. I was very much surprised when I heard about Annie joining the Church as I learned from Grandma and Mrs Brodick's letters. I am anxiously waiting for the time to come when you and all the children will come up, I want to see you so much especially little Sue. Aunt Peers is not going to have any examination, when does Annie's and Mary Ellen's come off I wish I could be there to attend it.
