HEADQUARTERS GRAND ARMY OF THE REPUBLIC, }
ROCKFORD, ILL., July 26, 1895. }

GENERAL ORDERS }
NO. 13. }

I. The 29th National Encampment, Grand Army of the Republic, as previously announced, will be held at Louisville, Ky., September 11th to 13th, 1895.

II. A rate of one cent per mile to Louisville, Ky., has been named from all points in the Central Traffic Association and all points in the Southern States Passenger Association, comprising the following states: Illinois, Indiana, Ohio, Michigan, Virginia, West Virginia, North and South Carolina, Georgia, Florida, Alabama, Mississippi, Tennessee, Kentucky and a small portion of New York, Pennsylvania and the Dominion of Canada.

A rate of one fare for the round trip, equivalent to one and one-half cents per mile, has been named in the Western States Passenger Association, comprising the following states: Wisconsin, Minnesota, Iowa, Missouri, North and South Dakota, Nebraska, Kansas and a part of Colorado, Indian Territory and all the Oklahoma country. From all points within the above states the rates will be one and one-half cents per mile for the round trip—short line distance—to the western terminals of the Central Traffic Association, namely Chicago, Peoria and Cairo, Illinois, Burlington, Iowa and St. Louis, Mo. From these terminals the rate is one cent per mile to Louisville.

A rate of one cent per mile has been named from Louisville, Ky., to any point in the Southern States Passenger Association, including all battlefields in the Southern States, the dedication of the Chickamauga and Chattanooga National Military Park, and the meeting of the Battlefield Encampment of the Sons of Veterans at Knoxville, Tenn.

The Citizens' Committee at Louisville feel that the entire country will adopt a uniform rate of one cent per mile before tickets are placed on sale for the 29th National Encampment.

III. The following suggestions are made:

It is urged that hand satchels be used for baggage, and when it is necessary to have trunks, ship them by express.

Hotel rates have not been changed; they will range from \$1.00 to \$5.00 per day, as agreed between the Council of Administration and the Citizens' Committee. Three days is the limit for which accommodations must be engaged. All arrangements are made direct with the guests and not through the Committee on Accommodations. The Citizens' Committee is prepared to furnish a list of hotels, boarding houses and private houses upon application.

Organizations such as Companies, Batteries, Regiments or Corps proposing to hold reunions during the Encampment, if they have not already done so, should address Captain Michael Minton, Chairman Committee on Reunions and Naval Veterans' Association, Louisville, Ky.

The official badges of the 29th National Encampment are made from blended metal from two cannon given to the Citizens' Committee of Louisville by an act of the United States Congress, February 28th, 1895. Both cannon were in actual service during the late war, one with the Union and the other with the Confederate forces.

The Official souvenir of the Citizens Committee are made from the same metal as the delegate badges, and each souvenir will be packed in a separate box, and sealed with the official seal of the committee. All others offered as official souvenirs are fraudulent.

The Naval Veterans Association through Rear Admiral Francis B. Allen have been ordered to convene in the city of Louisville, September 10th, 1895, for Parade and Review.

IV. From unofficial reports received at these Headquarters, the Annual Parade promises to equal if not surpass those of previous Encampments. Anticipating a very long column, the Council of Administration, at its meeting in Louisville in December last, decided that no organization other than the Grand Army of the Republic, the Citizens' Committee on Parade and Review, of Louisville, and bands should participate therein.

Department Commanders in forming their various commands will bear this action in mind.

V. The Headquarters of the Commander-in-Chief will be at the Galt House, Corner Main and First Streets.

VI. The Headquarters of the Grand Army of the Republic will be at Rockford, Ill., until Saturday, September 7th, and will reopen at the Galt House, Louisville, Ky., Monday, September 9th.

VII. Department Commanders will meet the Commander-in-Chief at National Headquarters, Tuesday, September 10th, at 3:30 P. M., for consultation and final orders. Prompt attendance is urged, that all details concerning Parade and Review may be thoroughly understood.

VIII. The Council of Administration will meet at National Headquarters promptly at 7 P. M., Tuesday, September 10th.

IX. The 29th National Encampment will assemble at Music Hall on Market Street, between 1st and 2nd Streets, Thursday, September 12th, at 10 A. M. sharp, for the transaction of business.

X. Aids-de-camp on the staff of the Commander-in-Chief who contemplate participating in the Parade at Louisville, will at once notify Henry M. Nevius, Chief of Staff, Red Bank, N. J., whether they will appear mounted or not, and on their arrival in Louisville they will report to him at National Headquarters giving their address in the city.

XI. Department Commanders, as soon as possible after arrival in Louisville, will notify Chief of Staff Henry M. Nevius, the number of comrades present from their respective Departments, and will receive a map of the city of Louisville giving location of the various Department Headquarters.

XII. Comrade Nevius will have charge of the mounting and formation of the Aids in the column and will detail such assistants from corps of Aids as he may deem necessary.

XIII. The attention of Department Commanders and Aids-de-camp on the staff of the Commander-in-Chief is called to the circular issued

by Comrade Henry S. Cohn, chairman of Committee on Parade and Review, Louisville, concerning horses for the Parade. All communications relative to horses should be addressed to Comrade Cohn.

XIV. To facilitate the work of the various committees at Louisville, Department Commanders will, not later than September 9th, notify Comrade Henry S. Cohn, chairman Committee on Parade and Review, 341 West Green street, Louisville, Ky., where their headquarters will be during the encampment week, probable attendance from their Department and whether or not they will be accompanied by band or drum corps.

XV. Departments desiring free quarters at Louisville, will take notice that no application will be considered after August 15th. Where free quarters are desired, Department Commanders should see that application is made previous to that date.

XVI. Posts desiring free quarters at Louisville, will, not later than August 10th, forward their applications to their respective Assistant Adjutants-General, who will, as soon as possible, advise the Citizens' G. A. R. Committee at Louisville of such requests.

XVII. All communications concerning accommodations, etc., should be addressed to The Citizens' G. A. R. Committee, No. 128 East Main street, Louisville, Ky.

XVIII. Lem H. Wiley, Chief Bugler and Aid-de-camp to the Commander-in-Chief, will report to the Adjutant-General at National Headquarters at 3:00 P. M., Tuesday, September 10th, for orders.

XIX. Comrades Robert Oliver and James L. McLean, of Nevius Post No. 1, Rockford, Department of Illinois, are hereby detailed as Headquarters Color Bearers.

XX. Ample arrangements are being perfected for carriages, ambulances, and other vehicles for disabled comrades entitled to position in the column. Application should be made at National Headquarters before 10 A. M. Wednesday, September 11th, Comrade C. C. Hoefling, of Louisville, Ky., being assigned to this duty. No vehicles will be permitted in any other part of the column.

XXI. The battery of the Louisville Legion under command of Captain David Castleman, will fire a National Salute at sunrise Wednesday, September 11th. One gun will be fired at 9:30, two guns at 10:00 and three guns, the signal for starting the column, at 10:30.

XXII. The parade will move in column of platoons, twelve files front with a guide, single rank; closed to half distance. Post Commanders throughout the march will see that their commands are kept well closed up, and Department Commanders are charged with keeping well closed on the rear of the preceding Department, so that no gaps will occur.

XXIII. Columbia Post No. 706, Department of Illinois, having tendered their services as escort to the Commander-in-chief, the same is hereby accepted and Commander H. G. Purinton of said Post will report with his command to the Adjutant-General at the Galt House, Louisville, Ky., on Wednesday, September 11th, at 9:30 A. M., and will form on south side of Main street, facing the Galt house.

XXIV. The Staff of the Commander-in-Chief will report mounted to Comrade Henry M. Nevius, Chief of Staff, at 9:30 A. M., September 11th, will form on the south side of Main street, right resting on First street,

and will move in column of fours. The uniform worn will be that of the Grand Army, black felt military hat, with gilt cord and wreath, white gloves, G. A. R. button and badge of National Aid-de-camp, with such Department badge as may have been adopted; but no other badges will be displayed.

Soldierly deportment is enjoined on all members of the staff.

XXV. Department Commanders will take notice that it is the desire of the Commander-in-Chief to move the column promptly at the time specified. 10:30 o'clock means 10:30 o'clock SHARP, and the column will move at that hour.

XXVI. Department Commanders will take notice that Comrade Henry S. Cohn, Chairman Committee on Parade and Review on or about the first of August will forward to them in sufficient number a special letter of instructions giving formation of parade by divisions and departments, and a map of the line of march. These instructions will be obeyed. Any department not ready to move into line at the proper time will lose its position.

XXVII. The length of the march at Louisville is, by actual measurement two miles and a quarter, on level and smoothly paved streets. In consideration of this short line of march the Commander-in-Chief expresses the desire that every comrade that is able to march, will be found in line and not on the side walk viewing the parade.

XXVIII. The reviewing stand of the Commander-in-Chief will be on the North side of Jefferson street in front of the Court House steps and will be designated by the Headquarters—buff—guidon. When passing in review all colors will salute by dipping the colors at six paces from reviewing point by extending the arm to its full length, allowing the colors to drop; remaining in that position until six paces past the reviewing officer, when the colors will be returned to their proper position. Music will play three ruffles, and the military salute by Department Commanders and Post Commanders only. Comrades in rank *will not salute*. Department and Post Commanders will issue instructions to all bands and drum corps in their commands, positively prohibiting special drilling and evolutions of such organizations while passing the reviewing stand.

XXIX. After 2 o'clock, Tuesday, September 10th, Department Commanders will despatch to National Headquarters the Assistant Adjutant-General of their respective Departments, or other properly accredited officer, to report to the Adjutant-General with correct copies of Credentials of members of the 29th National Encampment. Said credentials should show all changes that have been made since the meeting of their Department Encampment.

Attention is called to the following extract from Section 2, Article II., Chapter IV., Rules and Regulations:

"Any vacancies occurring by written resignations that may exhaust the list of alternates entitled to serve in place of absent representatives, may be filled by the Department Council of Administration, duly called and sitting within its own jurisdiction. Such alternates shall serve in the order of their election."

The officer presenting these credentials in proper form at this time will receive the Delegate badges to which he is entitled, of the 29th National Encampment. The badges will be ready for distribution after the above named hour. The officer receiving them will be obliged to receipt for them.

XXX. You are once more reminded of the "Battlefield Encampment" of the Sons of Veterans, U. S. A., which is to be held at Knoxville, Tenn., September 16 to 19, 1895. Arrangements have been perfected whereby rates from Louisville to Chickamauga will permit comrades desiring to spend a day with the Sons of Veterans, to do so without extra charge, stop-over privilege being permitted.

Arrangements are contemplated for the accommodation of 25,000 visitors at Knoxville, and the Commander-in-Chief trusts many of the comrades will avail themselves of the privilege of spending a day with the Sons of Veterans.

XXXI. The Commander-in-Chief by virtue of the power in him vested removes the disability resting on the following comrades by reason of sentence of dishonorable discharge:

Henry F. Bowers, Post 338, Troy, Department of New York.

Sumner Gibson, Post 48, Ayer, Department of Massachusetts.

A. C. Powers, Post 1, Indianapolis, Department of Indiana.

and they are hereby in all things relieved from the penalty of suspension from the rights and privileges incident to their membership, and are hereby restored to all the rights and privileges of membership in the Grand Army of the Republic.

XXXII. The following comrades, having been sentenced to dishonorable discharge, by Post Courts-Martial, same being approved by their respective Department Commanders and the Commander-in-Chief they are hereby declared dishonorably discharged from the Grand Army of the Republic.

Jake Inbody of Lincoln-Garfield Post, No. 3, Portland Department of Oregon.

G. A. Routledge of Sumner Post No. 12, Portland, Department of Oregon.

Frank W. Cutler of George C. Drake Post, No. 223, Milwaukee, Department of Wisconsin.

XXXIII. The following resolutions passed by Department Encampments are offered as amendments to the Rules and Regulations:

FROM THE DEPARTMENT OF CALIFORNIA AND NEVADA:

Add to Section 1, Article I., Chapter V., Rules and Regulations the following, to-wit:

"No charter shall be granted for a Post in a city or town where a Post is in existence at the time application for charter is made, except upon recommendation of the Department Council of Administration."

FROM THE DEPARTMENT OF INDIANA.

Article IV., Section 3, after the words "National Encampment" in tenth line, add the following words:

"And while so suspended no member shall be entitled to any rights or privileges in any Post."

FROM THE DEPARTMENT OF MASSACHUSETTS.

Resolved, That the delegates elected (to the National Encampment to be held at Louisville in 1895) from the Department of Massachusetts be instructed to vote, and by all honorable means endeavor to have the National Encampment repeal and abolish the third paragraph of Sec. 1, Art. II. of the Rules and Regulations of the National Encampment, which gives a vote to the Past Department Commanders who have

served for a full term of one year or who, having been elected to fill a vacancy and shall have served to the end of the term, so long as they remain in good standing in their several Posts. And that the passage of this resolution shall be such instructions. Carried.

Resolved, That, as the publishing in General Orders of the names of rejected candidates works great injustice in many instances, whereby honorable comrades are rejected on purely personal grounds, Section 6, Article II. Chapter II., and also the words "and a list of the names of rejected applicants" in Section 1, Article II., Chapter V.. be and are, hereby repealed.

FROM THE DEPARTMENT OF PENNSYLVANIA.

Chapter II., Article I. Add a new Section:

"Section 5. Consolidation of Posts. When two or more Posts desire to consolidate, written or printed notice of such proposed action shall be given to all members in good standing, at least two weeks prior to the date of meeting for consideration of such proposition, in each of said Posts. If such proposition shall be then adopted by a vote of two-thirds of the members in good standing present and voting at such meeting, the vote being recorded by ayes and noes, the fact shall be duly certified by each Post to the Department Commander. When so approved by two or more Posts, the Department Commander shall issue without charge a new charter reciting the fact of such consolidation and bearing the names of all members in good standing in such Posts. The new charter shall bear the number, and rank from the date of charter of the senior Post, but a new name, or the name of either or both may be taken, when approved by a two-thirds vote of the members present and voting at the first meeting called under such new charter, and upon approval of the Department Commander. The property of each of these Posts shall be conveyed to and become the property of the Post as consolidated. My dear Sir;-

I was in St. Louis yesterday and could not be at the meeting of the Finance Committee called by you but had written you to this effect, I had no time however, to reply to your courteous letter of the 29th asking me to make myself one of the Committee of One hundred.

Under certain conditions, I will do this and authorize you to make what use you like of this proposition, replying of course on the understanding in regard to this matter that exists between us.

I would suggest as a very good thing to attract people's notice, that if you could get a list of prominent men that are to come here, namelt Govenors, ex-Govenors, Generals, Colonels etc. and the names of the parties by whom they are going to be entertained, it would call attention to this matter in a way that may be attractive and at the same time profitable. For instance, if it was said that yourself was going to entertain Gov. or ex-Gov such and such and such and such, it would be bound to have its effect and this being multiplied by a larger number must tell in the end.

I simply throw this out as a suggestion and again assuring you of my desire to serve you in any way I can, believe me to be,

Mr Will Cornwall,

Sir,

I fear I am going to have trouble in getting my singers in a body to the stand at the Barbecue, and suggest that Minerva let me have three (3) tractors of 3 cars each at the corner of 15th & Main at 12 noon on day of Barbecue, I'll have the crowd there. I must know what to do today or tomorrow (Tuesday) as my last rehearsal will be tomorrow night and I must tell them then.

Yours
 Will S. Hays

Please let me know what to say to my Chorus Singers tomorrow night (Thursday) in regard to your invitation to let them see the new work on Thursday night. It will be my last chance to instruct them what to do and how to get to the platform on the grounds (see Mr Cornwall, he can tell you about it). I must get my Singers there in a body or they will "fizzle" out.

Yours
W. Hays
