Ebba Jo Sexton

In "A Valentine for Margaret I. King" (the first program of the year for the Staff Organization) three women who were associated with Miss King spoke of their remembrances of her. Marjorie Hornsby, Jacqueline Bull and Emilie Varden Smith recalled the earlier days of the Library under Miss King with comments, anecdotes and stories. Miss King's love of books and her interest in her staff members were clearly portrayed. Her foresight in buying for the collection is still apparent and appreciated by the present Library staff. A tape was made of the session and is available in Archives.

PERSONNEL

Appointment of Assistant Director for Personnel

I am pleased to let you know that effective July 1, Faith Harders will assume the position of Assistant Director for Personnel. The position of Map Librarian will not be filled. Gwen Curtis will be in charge of the Map Library and will report to Faith Harders. Faith will be available to provide the necessary professional oversight for the Map Department's operations.

I am looking forward to Faith's continued effective work in the library system.
