Rev^d E. W. Redinger D. D.
Dear Sir

Yours of yesterday rec^d and read
I am sorry the funds fell short of the needs
of the cause & that a debt has been incurred but
am glad the amount is not more than \$700⁰⁰.

Though I am more in need of money at this
time than for a good many years past, on
account of heavy expenses of one kind or
another, I will be willing to risk going in with
Mr. Deach & Col Young in the same arrangement
as we have had during the last two or three years
rather than let the good work be checked.

I enclose my check payable to your order for
\$703^{75/100} bal^{ce} (as I understand from your letter) yet
due on my subscription to the Evangelistic Fund for
past year, please acknowledge receipt of check -

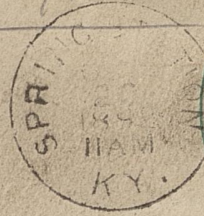

With best wishes. I am Very Truly Yours

A. J. Alexander

I leave home on Monday (W. D.) for Chicago & will not be able to attend the meeting of
Committee on that day -

Dear Sir

Yours of yesterday rec^d and noted, I am sorry money is so scarce in the Evangelistic Treasury, it is hard to keep back the (I have no doubt) much needed salaries of those now laboring in the field where they are so much needed and I hope that soon you will have enough to meet the payments as they become due, I now enclose my check for \$600⁰⁰ made payable to your order, please acknowledge the receipt of it and Oblige

Rev^d E. W. Bedinger D. D
Dear Sir

Enclosed please find ^{my} check
for \$500⁰⁰ payable to your order according to
the promise I made some time ago -

I hope the ^{old} debt is nearly paid off by this
time, for I feel that whilst this debt hangs over
us the work cannot well progress in the field
of labor, I know from my own experience that
times are hard, and scarcely any business is
more than paying expenses and a very narrow
margin in addition, and in many cases no margin
and we cannot yet see much prospect of change
for the better in the immediate future, but He who
directs all things knows what is best for us -

Please acknowledge receipt of check & oblige

Yours Very Truly
