Rev. E. W. Bedinger, S. D.,

Anchorage, Ky;

Rev. & dear Bros;

Your esteemed favor in regard to the Synodical Evangelistic Work and the accompanying Circulars came duly to hand; and our collection will be forwarded, at the earliest convenience.

Owing to recent repairs to our Church, which have been quite expensive, it is thought better to postpone our collection for the S. E. work, for a while, in the hope that our people may respond to it more liberally, at some more convenient time in the early future.

I will gladly present the claims of the Cause, as strongly as possible, at the first opportunity, and our Treasurer will promptly remit the amount contributed.

Your Bro. in Christ,

E. H. Rutherford.

Dear Dr. Bedinger;

Owing to my absence from home tomorrow, to supply our vacant pulpit at Haysville, and finding it important, for special reasons, that I should be here at our prayer-meeting next Wednesday Evening, I write to say that, unless you should think it necessary that I should be present at the opening of the proposed Convention at Lexington, I will not arrive until Thursday in time for the morning session. Hoping that my delay may cause no inconvenience, and that the Convention may be a happy success in all respects, I remain

Yours most truly,

E. A. Rutherford.

Dear Dr. Redinger;

We wish to have some special <sup>services</sup> in the School-Houses in this vicinity, beginning on the 1<sup>st</sup> Sabbath - the 6<sup>th</sup> of December, and we should be very <sup>glad</sup> of the assistance of Bro. Nopper for a week or two. He says he can come if you have no special engagement for him, at that time. Please let him know immediately, if you have no engagement for him, and favor me with a line also. Fraturnally, E. H. Rutherford.

Dear Dr. Bedinger:

I presume you have recently received from Mr. George L. Bell, the Treasurer of our Church, a Check for \$45.00, the remainder of our apportionment for our Synodical Evangelistic Work, for the current year.

As it was sent very soon after your last letter to me was received, <sup>and</sup> I supposed you would accept that as an answer.

I hope a great impetus has been given to the Work by the visits of the brethren to the Churches. Owing to causes beyond my control, I was not able to visit all the Churches assigned to me within the appointed time, but I hope to complete the list very soon, in person or by proxy, and when I have done so, I will report to you.

Your Bro. in Christ

Dear S. Bedinger,

I have received your notice of the meeting of the Evangelistic Committee, and regret that I cannot have the pleasure of attending.

I have had a severe attack of the prevailing sickness - the grip - which has kept me in bed for more than two weeks, and the Doctor thinks it may be several days yet, before I can safely be out.

Our collection for the Evangelistic Work amounted to more than two thirds of the apportionment, and I hope we may get the remainder soon.

Mr. Hopper was with me several days at Houston School-house, but sickness was so general in the community that it seemed best not to continue the meeting.

We hope we can resume the work, at an early day, under more favorable circumstances.

With best regards for yourself and the brethren of the Committee -

Yours fraternally,

E. N. Rutherford.

Dear D. Bedinger,

I wrote to Bro. Kopper at Perryville, about two weeks <sup>since</sup> requesting the favor of his assistance in a Meeting at Shawhan, about the middle of next month or earlier if possible, but as yet, I have not heard from him.

I would thank you to put me in communication with him, and to give me any information you have in regard to his present and future engagements.

The state of things at Shawhan demands our early and earnest attention, and the indications are very encouraging.

Please assist me in getting Bro. Kopper to help me there, as soon as possible. We have just had a good Meeting here, in which <sup>J.S.</sup> Bro. McElroy assisted us.

Your brother in Christ,

E. A. Rutherford.

Dear D. Bedinger,

I preached at Shawhan again recently and found the indications still very encouraging. Bro. Kopper is very pleasantly remembered there, and his return would be warmly welcomed. I think if he could assist me in a meeting there sometime this Summer, when the farmers are not busy with their crops, we could expect very happy results.

In a recent card from him, he expressed his hearty willingness to come and help in a meeting there, at anytime the Committee may appoint. I should be glad to be authorized to say to the people that they may expect him this Summer, and I would thank you to inform me whether I may confidently rely upon his assistance, at such time in the next two or three months, as may seem to be best for holding the proposed meeting.

I had hoped for the pleasure of meeting you at the recent meeting of my Presbytery, to confer with you on this subject, but I was detained by a funeral service.

Yours fraternally,

E. H. Rutherford.
