

Personal: Would you believe that Pat Riley at 6-foot-3+, not only jumped center for UK during the 1965-66 "Rupp's Runts" season, but got the tip in 55 of 58 jump balls ^{at} that He told me how he did it, using his left arm to "pin" the opposing center. Here he is, getting the tip over Dayton's 7-footer Henry Finkel in the tipoff of UK's 86-79 win over the Flyers in the opening round of the 1966 Mideast Regional at Iowa City.
