

The Executive Committee of State University of Kentucky met pursuant to adjournment in President Barker's office Jan. 22nd. 1916 there were present C. B. Nichols, T. L. Edelen, P. P. Johnson Jr. C. B. Terrell and R. C. Stoll. Mr. Reynolds of New York was present and a discussion was entered into over the question of the relation of the student body to the temptations of what is known as the Social evil, which is now being regulated under the new ordinances passed by the Board of Commissioners of the City of Lexington. After many suggestions were made as to the future course that should be pursued by the University Authorities in regard to this question, upon motion made by Mr. Edelen and seconded by Mr. Johnson the following resolutions was unanimously adopted.

Resolved: that the President of this University request the Commissioner of Public Safety of the City of Lexington, to instruct the chief of Police to direct his patrolmen to arrest all students who may be found in any house of prostitution or house of assignation, and deliver them to the University Authorities that they may be properly dealt with. Should an arrest be made at night time when such delivery can-not be made, the identity of those so arrested must be assured before they are released, and such reported the following day to the University Authorities.

Be it-further Resolved: that the President of the University, shall by public address and by such other means as he may see fit, inform the male students of the University, of the passage of this resolution and of the determination of the University Authorities to enforce them.

It appearing that the time heretofore provided for the nomination and election of the two Trustees of this University by the Alumni Association is not sufficient for this year, on account of an oversight in the time for sending out the first ballots, it was moved, seconded and carried that the time fixed for mailing the ballots be Jan. 26th. that the time fixed for counting the nominating ballots be March 30th. This change in date shall apply only to this year's election, and hereafter the date fixed in the former rule shall apply.

On Motion the Committee adjourned.
