Dearest Darling Jimmy
your Mom told
me that you had only
received one letter from
me, but I had written
three. I'm not sure but
on the last two letters I
put 11223012 instead of 1127032.
I was trying to maximize
it, but I guess I didn't
do so well did I Darling?

I heard from your Mom
that you was coming
home over the week-end
but some thing happened
to the Car you was come-
ing in. and so you wouldn't
be able to get here. I wish
that you could had
made it, but you didn't
so that was that. Sat.
night I went to Boots
Party. There was boys
there. but none I cared
over

III to talk ^{over} ~~over~~ ^{much} with. There was
some boy there I used
to go steady with. He
kept on flirting with
me, but I didn't flirt
with him (believed it or not)
And you better believe
it Darling. because it is
the truth. I leave Sunday
the second. for the next.
Funny if I don't get to
write to you down
there you send them

IV to my home address
and then when I come
home at Thanksgiving
I will write to you.
If you do get to write
to me down there you'd
better watch what
you say because the
Nun's read the mail -
Darling. So if I don't

get to write to you this
year. I'll be able to
next year. So Darling
I want to tell you
some thing. I love you.
I've only ~~body~~ told one
other boy that, but
it was just puppy love
and anyway I said
I'd never say I'd ever
love another boy. but
I guess I'm ~~was~~ wrong.

I don't know how I'll
feel 4 years from now.
but I hope I'll love
you as much as you
love me (if you do love me)
Funny this is the way
I feel about people
if they like me, I like
them. if they don't like
me well I don't like
them, and I can act as
awful as they can

But I was just putting
you straight on a few
things Darling. So if
you receive this letter
before I go back to
school (the 2nd of Sept)
write to me Darling if
not - well wait until
Thanksgiving and then
write. So I'll be signing
off like good with lots & lots
Darling & love
P.S. I love you. *Sherry*

might have
played with
a doll
like this

Pretty isn't she?

Nowadays dolls
have sleeping
eyes, real hair,
and some
say, "Mama"!

her baby doll
were made of
wood.

400 years ago,
dolls were prim
and proper but
not very pretty

This Egyptian doll,

wore a beautiful
sash and wood
beads for hair.

Dearest Jim,

I hope you had
a safe trip. Saw Texas
but can't seem to get much
sleep.

Dad said I
couldn't go back to school
I really want to go now,
that is back to the "maest".
But I guess it's not what
you want, but what you
get.

I don't know very
much to say, for you
know most by the news,
around here.

I already miss you a lot
Darling.

Bob said he'd
pick me up Tues. night
for that party, But, I
don't think I'll go,
because you won't be
there, and they'll
probably drink a lot,

Well Jimmy, I
will close for now, be
good and May God
Bless you. Love always

P.S. Write soon
Darling!

Levy.
