

WE HAVE just completed a most successful year of business, and are entering upon another filled with even greater problems. We can solve them, but we need you.

Our work and association is not supported financially by the University, hence our only means of support are dues. To build an organization to be efficient and to accomplish worth-while things we must have interest manifest. This can be done in many ways. One we suggest, is by becoming an active member of the University of Kentucky Alumni Association. Tear off and enclose the attached coupon with your check to the Alumni Secretary, University of Kentucky, Lexington.

Alumni Secretary,
University of Kentucky, Date

Lexington, Ky.

Dear Sir: Enclosed find my check for \$3.00 for one year's membership to the Alumni Association, University of Kentucky. I want to help the Association and by so doing know that I will help the University, and take this means of expressing my interest.
