

Guinness

Oct. 17. 1961

Dear Dr. Thompson -

Here are a few more items for your collection.

I hope they may be of some interest. The piece on Religious  
Vocation was at first intended as part of an addition to  
New Seeds of Contemplation which is coming out in December.

But I rejected it as altogether out of tune with the rest of  
the book.

Cordial good wishes in X-

J. M. Louis Austin
