LSO PICNIC

The LSO picnic will be on July 24 at Jacobson Park in shelter #4.

Meat, soft drinks and beer will be provided. We will also provide plates, utensils and napkins. Remember, if you bring extra people bring extra food. That way we won't run out.

So plan to attend; we'll have a ball!

ADMINISTRATIVE CHANGES FOR MAPS AND BUSINESS

The Map Department and Gwen Curtis officially became part of GPD on July 1, 1981. The physical move of the Map Collection to GPD's basement will take place July 13-24, 1981. The faculty carrels in the basement will change places with Maps in Room 401. To facilitate the move the Map Department will be closed July 15-22, 1981.

Also effective July 1, 1981, the Business and Economics Information Center became a separate public services unit under the Assistant Director for Public Services.

LIBRARY OMBUDSMAN

The ombudsman for next year will be elected at the same time as the other LSO officers. In the meantime, Vivian MacQuown has agreed to serve as Library Ombudsman for the remainder of this year.

KLA ANNUAL CONFERENCE

The Kentucky Library Association Annual Conference will be held at the Galt House in Louisville, Kentucky, on October 6-10, 1981. This year's theme is "Survival Strategies for the 80's."

NEW STAFF LOUNGE IN KING SOUTH

The staff lounge in room 11 of King South is going to be moved to room 403 during the last week of July. If you have keys to room 11 and the corridor, you will need to turn them back in to the Key Shop and get a key to 403. See Pat Lloyd for key authorization cards.
