ON ACTIVE SERVICE

WITH THE

AMERICAN EXPEDITIONARY FORCES

Oct 4 1918

Dear Folks;— I wrote
a few days ago but will
write again while I have
a good opportunity. We are
now getting mail most
every day. Received a letter
from May and one from
Gert. including the copy
from Mrs. Cameron. I
hope it will be of some
benefit to me and thank
her for it.

We are still in a
quiet village back of the
lines where we are able
to get a good night's sleep
straw ticks and plenty blankets
we are billeted in odd
French buildings most of
which contain fire places
