

ABBOT ACADEMY
ANDOVER, MASSACHUSETTS

July 8, 1938.

Mrs. W. B. Seaton
Ashland,
Kentucky.

My dear Mrs. Seaton:

You have received, I am sure, a formal acknowledgment of your contribution to the Abbot Second Century Fund. I feel, however, that I should like to express to you personally my warm appreciation of your very generous gift.

I note that it is to be used toward the memorial for Miss Means in honor of your daughter, Hilda Seaton Peebles, of the Class of '07. I think this is an especially fitting way in which to have your gift counted and I know you will take great pleasure in following the development of our plans for Abbot.

With kind regards, I am

Very sincerely yours,

Marguerite Hearsey
Principal.
